Allen Bradley Motors – MPL Servo Motors

| Technical Specifications:  |   |
|----------------------------|---|
| Manufacturer               | Rockwell Automation                         |
| Brand                      | Allen-Bradley                               |
| Part Number/Catalog No.    | MPL-B4530K-MK24AA                           |
| Series                     | Premium permanent magnet rotary servo motor |
| Series Type                | Low-inertia                                 |
| Voltage Class              | 400 Volts AC                                |
| Frame Size                 | 130 millimeters                             |
| Magnetic Stack Length      | 3 inches                                    |
| Rated Speed                | 4000 rpm                                    |
| Feedback                   | Multi-turn high-resolution encoder          |
| Shaft Key/Seal             | No shaft key/no shaft seal                  |
| Connectors                 | Circular bayonet, facing shaft              |
| Brake                      | 24 Volts DC brake                           |
| Mounting Flange            | IEC metric                                  |
| Factory Designated Options | Standard                                    |
