

# RDB-B29026-3B72AA

Allen Bradley Motors – RDB Direct Drive Motors

| Technical Specifications: |  |
|---------------------------|--|
| Manufacturer              | Rockwell Automation  |
| Brand                     | Allen-Bradley  |
| Part Number/Catalog No.   | RDB-B29026-3B72AA  |
| Product Type              | Direct-Drive Servo Motor                                     |
| Housing Type              | Bearingless Housing  |
| Voltage                   | 400V   |
| Frame Size                | 290 mm   |
| Magnet Stacks             | 2  |
| Base Speed                | 375 rpm  |
| Feedback                  | Single-turn, 2048 sin/cos, absolute encoder (EnDat protocol) |
| Enclosure                 | IP65   |
| Connectors                | Circular (SpeedTec) DIN                                      |
