

# RDB-B41014-7B72AA

Allen Bradley Motors – RDB Direct Drive Motors

| Technical Specifications: |   |
|---------------------------|---|
| Manufacturer              | Rockwell Automation   |
| Brand                     | Allen-Bradley   |
| Part Number/Catalog No.   | RDB-B41014-7B72AA   |
| Product Type              | Direct-Drive Servo Motor                                    |
| Housing Type              | Bearingless Housing   |
| Voltage                   | 400V  |
| Frame Size                | 410 mm  |
| Magnet Stacks             | 1   |
| Base Speed                | 200 rpm   |
| Feedback                  | Multi-turn, 2048 sin/cos, absolute encoder (EnDat protocol) |
| Enclosure                 | IP65  |
| Connectors                | Circular (SpeedTec) DIN                                     |
