## Eaton Cutler-Hammer Drives – SVX 9000 Drives

| Technical Specifications: |                                |
|---------------------------|--------------------------------|
| Manufacturer              | Eaton Cutler-Hammer            |
| Brand                     | Eaton Cutler-Hammer            |
| Part Number/Catalog No.   | SVX002A2-4A1B1                 |
| Product Type              | Adjustable Frequency Drive     |
| Product Family            | Open Drives                    |
| Horsepower                | 2                              |
| AFD Software Series       | Standard                       |
| Enclosure                 | NEMA Type 12                   |
| Voltage                   | 480V                           |
| Keypad Type               | Alphanumeric                   |
| Input Option              | 3-phase, EMC H                 |
| Brake Chopper Option      | Internal Brake Chopper Circuit |
| Board Modifications       | Standard Boards                |
| Frame Size                | FR4                            |
| Supply Frequency          | 50/60 Hz                       |
| Inputs                    | 2 Analog, 6 Digital            |
| Outputs                   | 1 Analog, 1 Digital, 2 Relay   |
