## Eaton Cutler-Hammer Drives – SVX 9000 Drives

### Technical Specifications:

|                         |                              |
|-------------------------|------------------------------|
| Manufacturer            | Eaton Cutler-Hammer          |
| Brand                   | Eaton Cutler-Hammer          |
| Part Number/Catalog No. | SVX025A1-5A4N1               |
| Product Type            | Adjustable Frequency Drive   |
| Product Family          | Open Drives                  |
| Horsepower              | 25 Horsepower                |
| AFD Software Series     | Standard                     |
| Enclosure               | NEMA Type 1                  |
| Voltage                 | 575 Volts AC                 |
| Keypad Type             | Alphanumeric                 |
| Input Option            | 3-phase, EMC L               |
| Brake Chopper Option    | No Brake Chopper Circuit     |
| Board Modifications     | Standard Boards              |
| Frame Size              | FR6                          |
| Supply Frequency        | 50 to 60 Hertz               |
| Inputs                  | 2 Analog, 6 Digital          |
| Outputs                 | 1 Analog, 1 Digital, 2 Relay |
