## Eaton Cutler-Hammer Drives – SVX 9000 Drives

| Technical Specifications: |                              |
|---------------------------|------------------------------|
| Manufacturer              | Eaton Cutler-Hammer          |
| Brand                     | Eaton Cutler-Hammer          |
| Part Number/Catalog No.   | SVX025A2-5A4N1               |
| Product Type              | Adjustable Frequency Drive   |
| Product Family            | Open Drives                  |
| Horsepower                | 25                           |
| AFD Software Series       | Standard                     |
| Enclosure                 | NEMA Type 12                 |
| Voltage                   | 575V                         |
| Keypad Type               | Alphanumeric                 |
| Input Option              | 3-phase, EMC L               |
| Brake Chopper Option      | No Brake Chopper Circuit     |
| Board Modifications       | Standard Boards              |
| Frame Size                | FR6                          |
| Supply Frequency          | 50/60 Hz                     |
| Inputs                    | 2 Analog, 6 Digital          |
| Outputs                   | 1 Analog, 1 Digital, 2 Relay |
