## Eaton Cutler-Hammer Drives – SVX 9000 Drives

### Technical Specifications:

|                         |                                |
|-------------------------|--------------------------------|
| Manufacturer            | Eaton Cutler-Hammer            |
| Brand                   | Eaton Cutler-Hammer            |
| Part Number/Catalog No. | SVXF15A1-4A1B1                 |
| Product Type            | Adjustable Frequency Drive     |
| Product Family          | Open Drives                    |
| Horsepower              | 1-1/2                          |
| AFD Software Series     | Standard                       |
| Enclosure               | NEMA Type 1                    |
| Voltage                 | 480V                           |
| Keypad Type             | Alphanumeric                   |
| Input Option            | 3-phase, EMC H                 |
| Brake Chopper Option    | Internal Brake Chopper Circuit |
| Board Modifications     | Standard Boards                |
| Frame Size              | FR4                            |
| Supply Frequency        | 50/60 Hz                       |
| Inputs                  | 2 Analog, 6 Digital            |
| Outputs                 | 1 Analog, 1 Digital, 2 Relay   |
