RuckZuck.tools ...

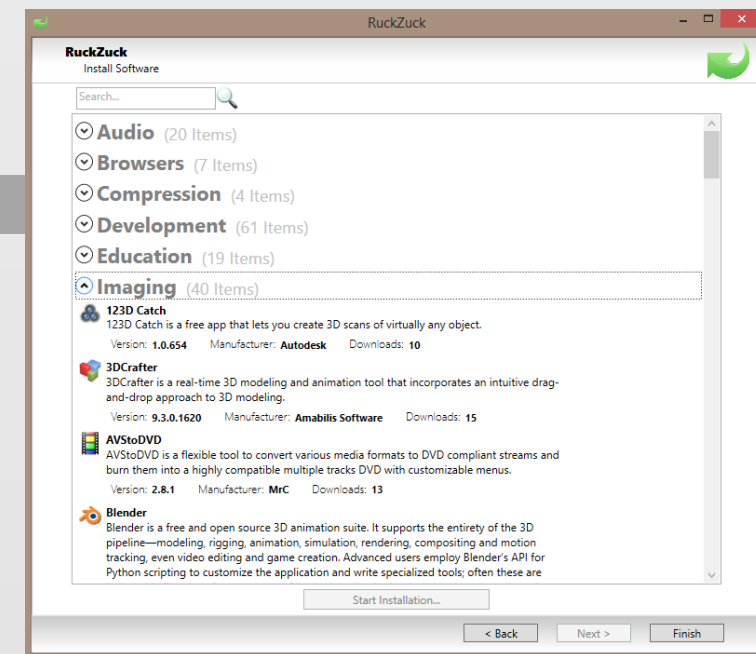

RuckZuck.tools ???

RuckZuck:

- is a Package manager for Windows
- does not store binaries, just links and scripts
- Is able to detect installed software and provide updates
- has a repository of more than 340 unique Software products (558 installation types; 10'140 Inventory records)
- Is driven by the community...

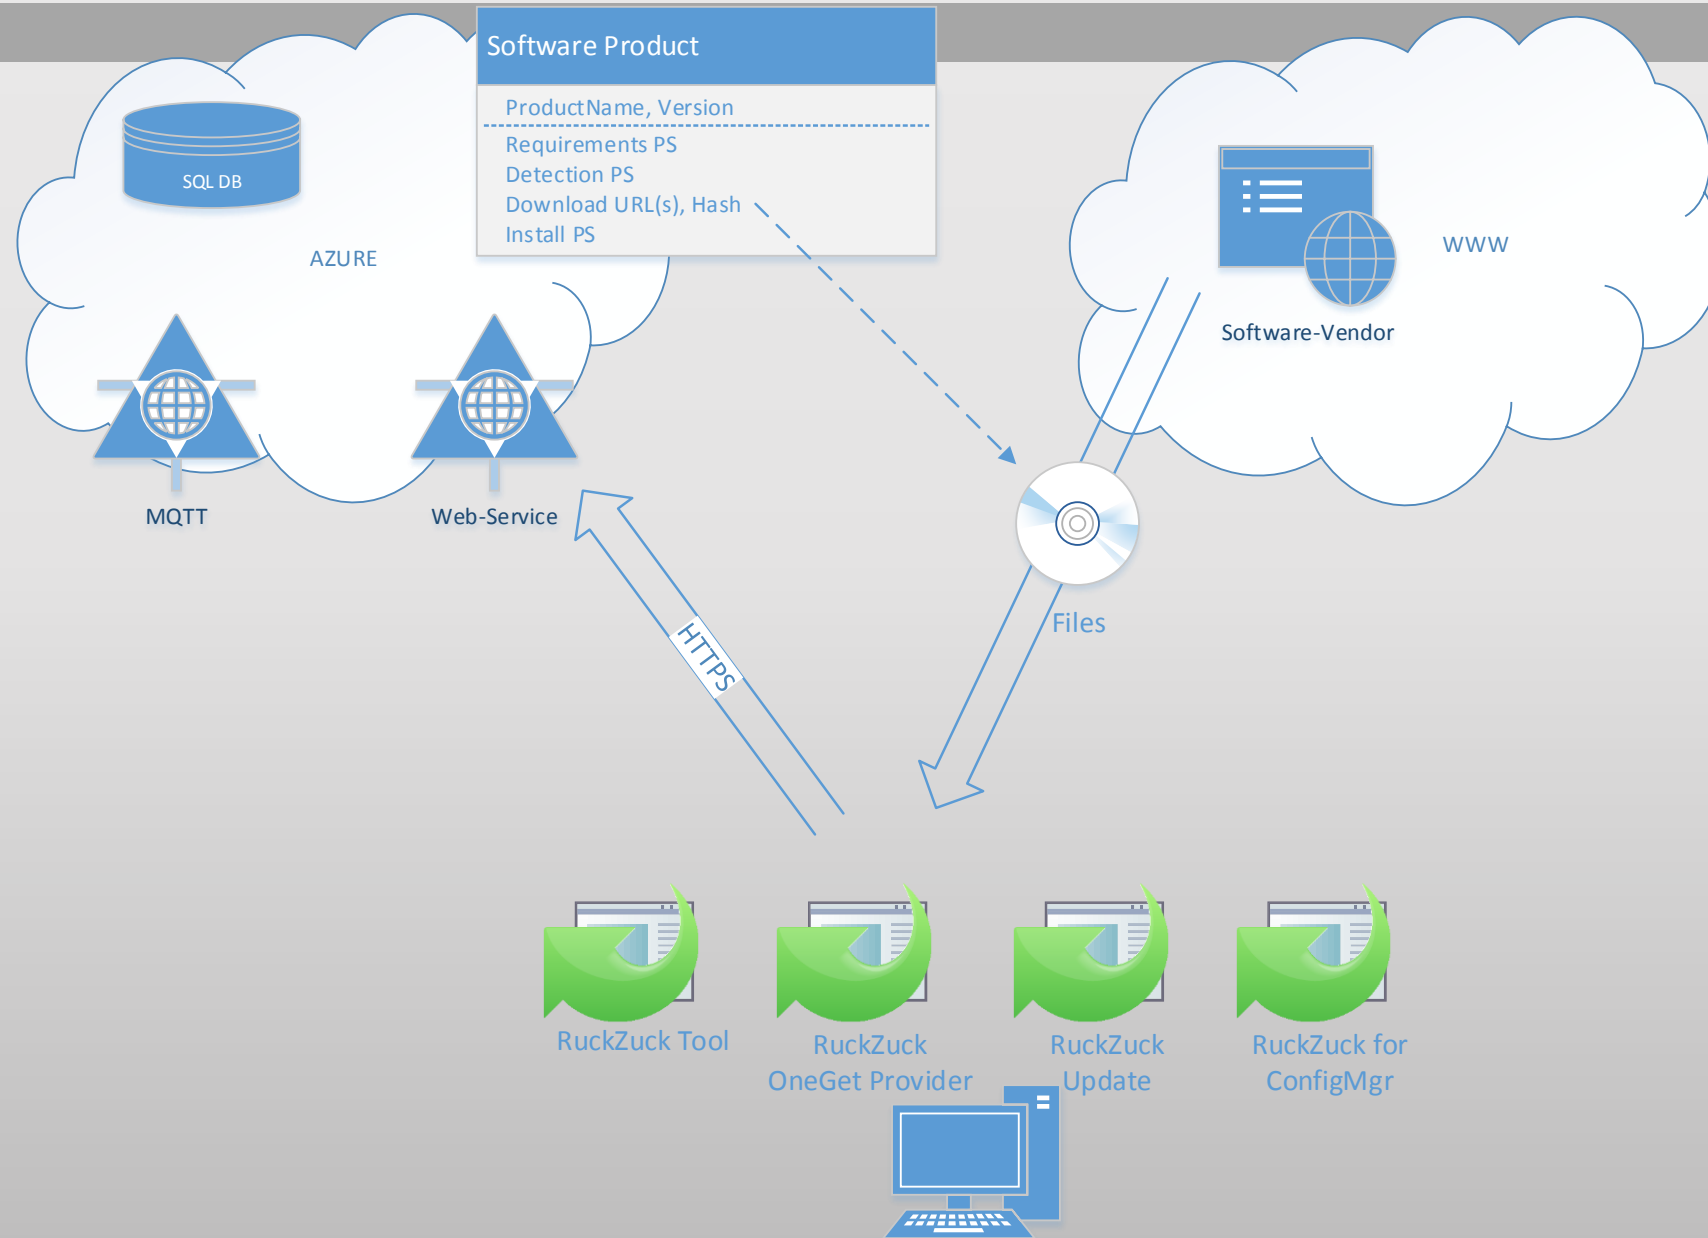

RuckZuck Vision:

- simplify software management

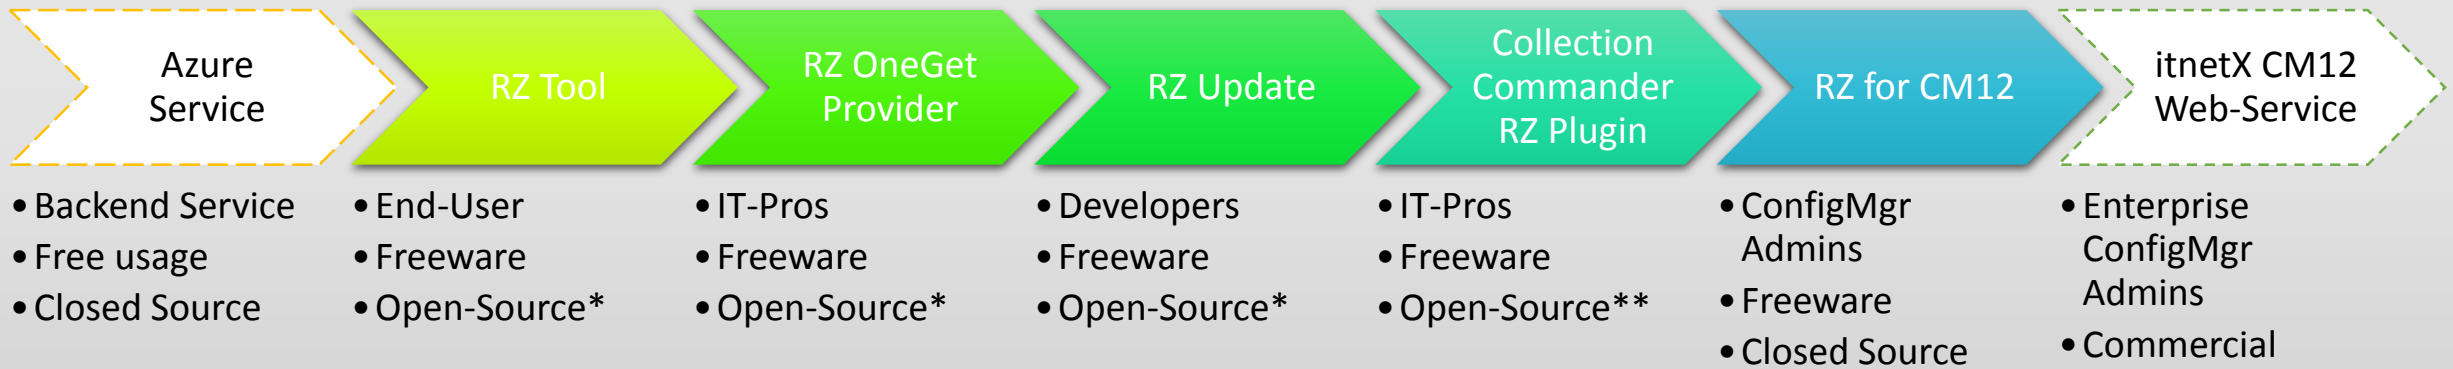

```
PS C:\Windows\system32> PackageManagement\Install-Package -Provider RuckZuck "7-Zip"  
PS C:\Windows\system32> _
```

Architecture
