Résumé + CV

“

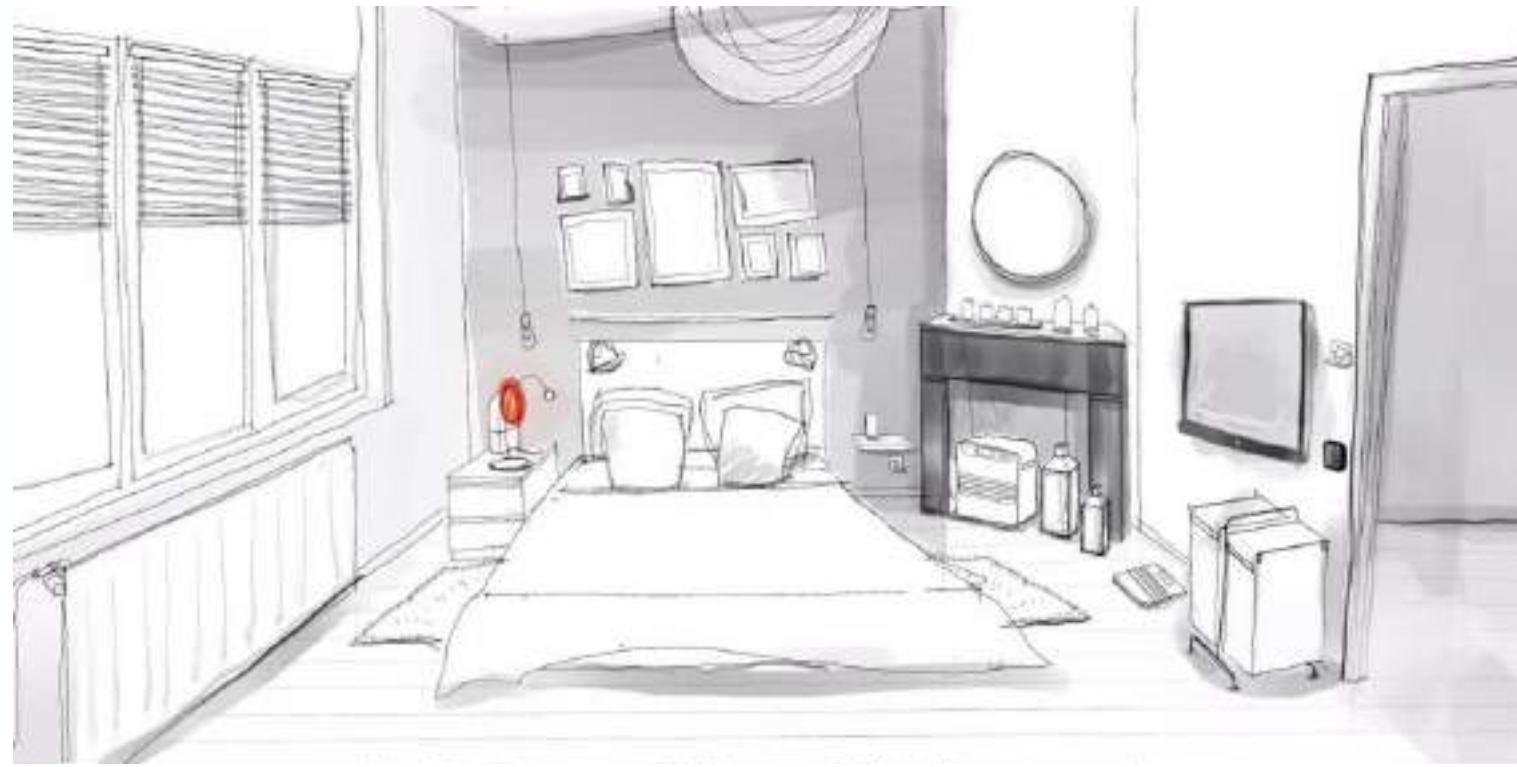

Les étiquettes ne sont que des bouts de papier que *d'autres* essaieront de faire coller à votre personne pour vous enfermer, à votre insu, dans un rôle réducteur. Ces préjugés, volontaires comme involontaires, ne doivent en rien vous conditionner à croire que c'est une vérité absolue. Vous êtes seul maître à fixer votre devenir. Ce ne sont que des perceptions qui ne sont pas les vôtres et sur lesquels vous ne devez pas vous attarder. Ce n'est qu'une fois s'en être rendu compte ou affranchi que vous vous rendrez compte à quel point vous êtes résiliant, multiple et tourner vers des objectifs propres que *d'autres* vous envie pour s'éviter toute remise en question en se rassurant eux-mêmes.

”

Nous sommes ravis que vous soyez là ! **Bienvenue à l'atelier A_AJT.** Je vous remercie sincèrement pour le temps que vous allez passer avec nous, ici. C'est vraiment appréciable et gratifiant. Nous espérons que vous aller aimer ce que nous faisons, un mélange entre architecture, design, graphisme et codage avec un émerveillement quotidien des choses qui nous entoure. On se pose tout le temps des questions sur notre monde et on essaie de le comprendre pour le rendre meilleur, le changer ou simplement le montrer d'une autre manière, car pour nous rien n'est fixe ou figé. Nos idées visent donc à aider les gens à s'affirmer ou s'affranchir au travers de projets menés localement. Qui sait ce que l'avenir nous réserve !

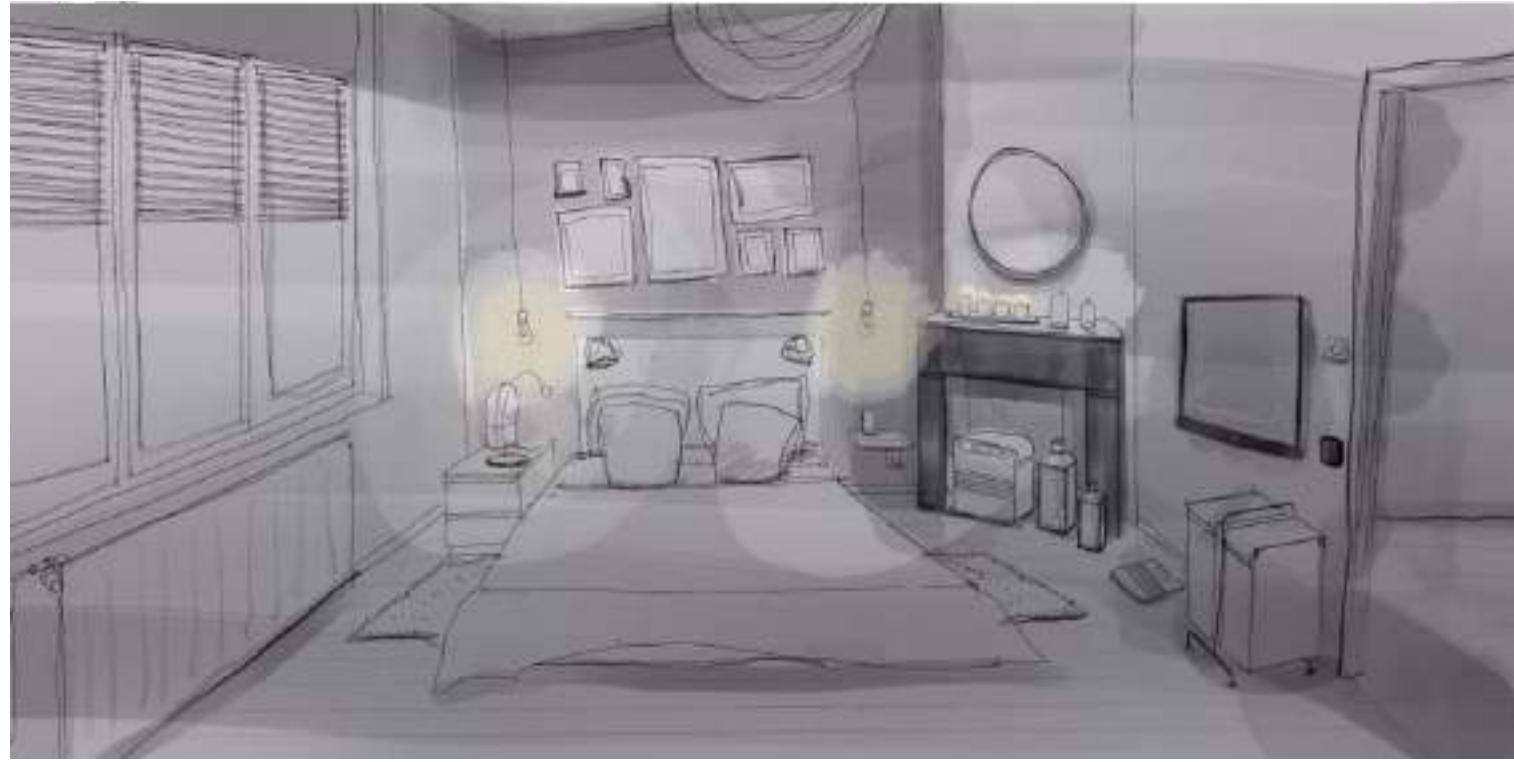

Notre objectif est multiple : améliorer, transformer, inventer ou rendre visible ce qui nous entoure et qui paraît anodin ou dérangeant. Nous remettons en question les idées établies et cherchons des solutions orientées vers les besoins humains. Pour le moment, nous travaillons principalement à l'échelle locale, mais nous envisageons de nous développer dans un monde où les préjugés et les étiquettes n'ont pas leur place. Nous créons des objets et des images en accord avec nos valeurs. Nous sommes animés par le désir d'évoluer en permanence, de collaborer et d'inventer ensemble. Nous vous invitons à nous donner votre avis sur nos travaux, car même de petits changements peuvent avoir un grand impact. Chez nous, rien n'est impossible, il suffit d'essayer. Nous sommes impatients de connaître vos réactions.
