DR OF JOURNALISM

"I hate to advocate drugs, alcohol, violence, or insanity to anyone,
but they've always worked for me."

- Hunter S. Thompson -

Koch Espadin Mezcal
Fresh Grapefruit and Lemon
Agave Nectar
Maraschino Liqueur
Cherry

A breakfast cocktail dedicated to Hunter S. Thompson. With smoky mezcal, Maraschino cherry and fresh grapefruit, it's a well balanced drink perfect as the first one of the day or as a breakfast substitute.

- 145 -

SHAME OF DHOBLE

"You can't be a real country unless you have a beer and an airline; It helps if you have some kind of a football team, or some nuclear weapons, but at the very least you need a beer."

- Frank Zappa -

Mangalore Spiced Liqueur
Aperol
Sloe Gin
Egg White
Fresh Lime Juice

Vasant Dhoble was a Bombay police commissioner who became notorious for enforcing a universally-disregarded local law against the consumption of alcohol. His method infamously involved midnight raids on bars and nightclubs, armed with a hockey stick. He quickly became known as the "the scourge of Bombay's drinking scene".

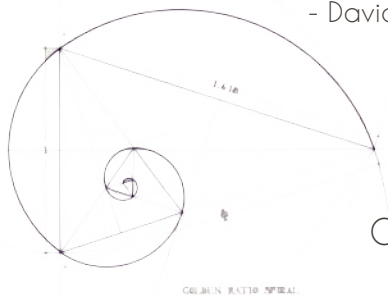

Well booze is still being poured and we created the Shame of Dhoble. It is a complex drink with Indian spices and chillies.

- 135 -

TRINITY OLD FASHIONED

"There's only one bartender's diary for all of the 19th century, and most of that consists of the author drinking a lot and being sick the next day"

- David Wondrich -

Bufallo Trace Bourbon
Monnet Cognac
El Dorado 5 Dark Rum
Rum and Angostura Syrup
Chocolate and Orange Bitters

Three different spirits, three different bitters and our special rum and Angostura based syrup that we make in house. It's strong, complex and some might say over the top.

- 145 -

O

RUNAMULA

"Drunkenness, rage, and madness are similar, but the first two are voluntary and transformable, the third permanent."

- Inca Pachacutec -

O.P. Anderson Akvavit
Barsol Puro Queranta Pisco
Nega Fulo Cachaca
Pear and Fresh Lime
Egg White
Angostura Bitters

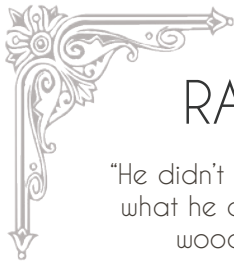

The time has come for a twist on the Pisco Sour. A surprising combination of Akvavit, Pisco and Cachaca. Fresh and creamy with subtle Pear undertones.

According to Peruvian folklore, the Runamula is the physical materialization of adultery. While we don't encourage adultery, we do like a good folk story. Especially when the story features a demonic mule, driven only by the desires of the flesh with its cursed, goblin-like lover riding it.

Just like those nights we had in our early 20s.

- 135 -

RASPUTIN OF THE BRONX

"He didn't know that what he was drinking was wood alcohol and what he didn't know apparently didn't hurt him. He drank all the wood alcohol he was given and came back for more."

- New York Evening Post 1932 -

Monkey Shoulder Scotch
Suze Bitter Liqueur
Spiced Vermouth
Smoke Head Islay Scotch
Orange Bitters

The story of an Irish alcoholic in The Bronx is too good to forget so we dedicated this Negroni style drink to his memory. It is strong and boozy and not for the faint hearted.

- 145 -

Michael Malloy survived 20 attempts on his life in NY during the Prohibition era by an Italian group of gangsters called the "Murder Trust" as part of an insurance fraud.

It is a truly twisted story that involved rat poison, methyl alcohol, hit and run, horse liniment, spoiled sardine sandwiches and raw oysters soaked in wood alcohol. Not only Malloy survived all of the above but he kept going back for more as he had an unlimited tab in the gangster's speakeasy. Eventually he did give up when a rubber tube connected to a gas tank was shoved down his throat but he lasted for half an hour. Needless to say the Murder Trust's plan didn't play out as they hoped.

After a quick funeral and a forged autopsy report, the gangsters collected the insurance money. Eventually the police heard the stories all over town and Malloy's body was exhumed and re-examined.

The Murder Trust didn't have a chance to spend the insurance money. After a quick trial they were all executed in the electric chair.

Unlike Malloy they only needed one try.

LITTLE DROP OF POISON

"I'd rather have a free bottle in front of me than a prefrontal lobotomy."

- Tom Waits -

Opihr Arabian Gin
Fresh Lime and Lemon
Celery Bitters
Cointreau Orange Liqueur
Maraschino Liqueur

Tom Waits had a great influence on Gamble since the beginning and we never had a cocktail dedicated to him. Finally we came up with a recipe that we believe is good enough to represent this legend of a man. It is strong, it is sour and has a serious complexity to it. Best enjoyed while listening to a Tom Waits record of course.

- 145 -

CHURCHILL'S BREAKFAST

"My rule of life prescribed as an absolutely sacred rite smoking cigars and also the drinking of alcohol before, after and if need be during all meals and in the intervals between them."

- Winston Churchill -

Coffee Infused Rye Whiskey
Coffee Liqueur
Cinnamon
Cold Brew Coffee
Maple Syrup
Angostura Bitters
Bad Dog Orange Liqueur

Coffee, maple syrup and whiskey... it's the cocktail version of a "Full English", the best way to start the day (or night), preferably with a cigar for complete authenticity.

- 145 -

OPIUM SMOKER'S DREAM

"There is always a need for intoxication: China has opium, Islam has hashish, the West has woman."

- Andre Malraux -

Zubrowka Vodka
Poppy Syrup
Fresh Orange Juice
Fresh Lemon Juice
Bad Dog Orange Liqueur

We love poppy in every shape or form, so the Opium Smoker's Dream was born. A twist on the classic lemon drop, it is refreshing, sour and sweet with earthy undertones of poppy. Sometimes less is more, and in this case a simple recipe delivers wonders.

- 135 -

NAPOLEON COMPLEX ○

"I can no longer obey; I have tasted command, and I cannot give it up."

- Napoleon Bonaparte -

Napoleon Mandarin
Greenal's Gin
Fresh Lime
Skinos Pine Liqueur
Egg White
Tonic Water

If you ever feel insecure or the need to compensate for your shortcomings, just grab one of these and that annoying feeling will disappear. It comes in a big glass of course.

The classic combination of lime and gin works perfectly with the addition of mandarins and pines. If you like a gin fizz, you can't go wrong with this big boy.

- 135 -

BLACK SWAN

"I got a little homework assignment for you:
go home and touch yourself. Live a little."

- Thomas Leroy -

Zubrowka Vodka
Coldbrew Coffee
Salted Caramel
Coffee Liqueur
Mozart Dark Chocolate
Walnut Bitters
Squid Ink

After so many requests, we finally have our version of an Espresso Martini. Inspired by the amazing performance of Natalie Portman, this drink definitely have a dark side but it's also delicate with hints of Salted Caramel and Chocolate. Don't mind the fish.

- 135 -

PINK PANTHER

"It won't be easy, that is why I have always failed where others have succeeded"

- Inspector Clouseau -

Opihr Oriental Gin
Almond Milk and Orgeat
D.o.M. Benedictine Herbal Liqueur
Licorice
Lemon & Raspberry

The Pink Panther Diamond is a haunting beautiful and fictional diamond appearing in the old classic Pink Panther movie. The diamond aquired the name from its flaw, a crack in the middle that imitated a springing pink panther that transforms into the well-known cartoon character.

This drink simulates the teasing pink panther, always out to play games with Inspector Clouseau, with its daunting flavors of almond, raspberry, and licorice. If you look carefully, you might find a pink panther springing out of your drink - and if not? Order another

- 145 -

LI BAI

李白

"Life in the world is but a big dream;
I will not spoil it by any labour or care"

- Li Bai -

Ming River Baijiu
Acai Berries
Fresh Lime Juice
Mint
Almond Syrup
Blackcurrant Liqueur

It is a Mojito style drink, refreshing and sweet, with berries and almond that compliment the Baijiu perfectly.

The Chinese poet Li Bai fell in love with the moon, his old drinking buddy and drew his last breath climbing into the water to catch its reflection. Needless to say there was Baijiu involved in the incident, a traditional Chinese liquor. No cocktail named after the poet would be authentic without such ingredient.

- 135 -

SCHRÖDINGER'S CAT

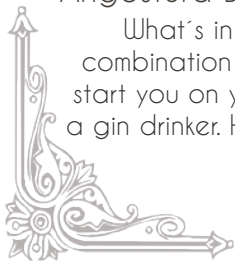

"Our best description of the atom boils down to "something unknown is doing we don't know what."

- John Gribbin -

L.S.D. Gin
Del Professore Chinato Vermouth
Sangre Morlacco Cherry
Opuhr Oriental Spiced Gin
Saline Solution
Angostura Bitters

What's in the box? Or in the glass in this case. A unique combination of ingredients created to fool your senses and to start you on your journey towards Cognac or Whiskey if you are a gin drinker. High in alcohol content, full of flavour and served in a cognac glass.

- 145 -

THE GRAND BUDAPEST HOTEL

"There's not much in the kitty, except a set of ivory-backed hairbrushes and my library of romantic poetry, but when the time comes, these will be yours. Along with whatever we haven't already spent on whores and whiskey."

- Monsieur Gustave H -

Rosemary Gin
Fresh Lemon Juice
Blackcurrant Liqueur
Sloe Gin
Aromatic Bitters

Perfect combination of sweet blackcurrant, sloe gin style japanese liqueur and our in house infused Rosemary Gin.

A twist on the Gin Sour, a salute to an era of grandeur and decadence long gone and our attempt to recreate its illusion.

- 135 -

VAN GOGH'S MARTINI

"I put my heart and soul into my work, and I have lost my mind in the process."

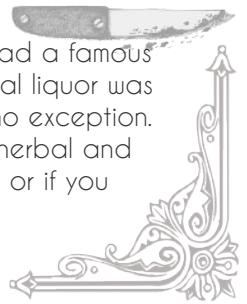

- Vincent van Gogh -

La Fee Absinth
D.o.M Benedictine Herbal Liqueur
China China Liqueur
Celery Bitters

Vincent Van Gogh drank alcohol to excess and he had a famous love affair with the "Green Fairy" or Absinth. This special liquor was the muse to many throughout the years and we are no exception.

This martini variation is not for everyone. It's heavy, herbal and highly alcoholic. Don't drink on an empty stomach or if you consider cutting your ear off.

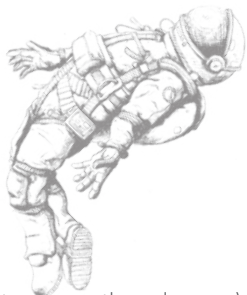

- 145 -

SPACE MONKEY

"The first soap was made from the ashes of heroes.
Like the first monkeys shot into space."

- Tyler Durden -

Monkey Shoulder

Port Wine

Smoke Head Islay Scotch

D.o.M Bénédictine Herbal Liqueur

Jerry Thomas Bitters

A twist on the classic Vieux Carre, stirred, bottled and smoked,
garnished with a Maraschino cherry.

Albert I - Albert VI were a series of monkey astronauts shot into
space by the United States at the dawn of space travel. All
Alberts died on their missions paving the way for the first human
astronauts.

- 145 -

LIVING DEAD GIRL

"Who is this irresistible creature who has an insatiable love for the dead?
Living Dead Girl!"

- Rob Zombie -

Smith N' Cross Jamaican Rum

Angostura Tamboo

Suze Bitter Liqueur

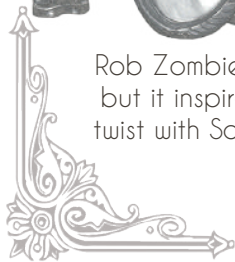

Amaro Ramazotti

Black Currant Liqueur

Fresh Lime & Pineapple

Rob Zombie tunes are not something we usually play at Gamble
but it inspired us regardless. An unexpected Caribbean cocktail
twist with Southern European flavors. We do not spare the rum so
be careful. It does bring back the dead.

- 145 -

MS. ESCOBAR

"I'm a decent man who exports flowers."
- Pablo Escobar -

Sage infused Tequila
Fresh Grapefruit and Lemon Juice
Rhubarb Syrup
Elderflower Liqueur
Scrappy's Firewater

Sweet and fresh with a hint of chili and citrus.
Dedicated to the wife of the infamous Pablo Escobar, it's an
easy to drink cocktail but be careful. It might not come with
cocaine but we do not spare the tequila.

- 145 -

D.B. COOPER

"Miss, you'd better take a look at that note. I have a bomb."
- D.B. Cooper -

Calle 23 Tequila
Violet Liqueur
Suze Bitter Liqueur
Pear Liqueur
Rose Water
Fresh Lemon Juice

November 24, 1971. In the middle of the night a mysterious man
jumped out of a Boeing 727, wearing a black suit and carrying a
suitcase with 200.000 dollars in cash. He was never found.
D.B. Cooper's case is unsolved to this day and he is the perfect
character to inspire an Aviation twist.

Floral and fresh and served up ice cold. Hint of bitterness for
added character and sweet notes from the pear.

- 135 -

PUSSY RIOT

“Этот мужчина считает что если ты неприлично танцуешь
или поёшь то заслуживаешь два года в тюрьме”

- Pussy Riot -

Zubrowka Vodka
Raspberry
Cranberry Juice
Lychee Liqueur
Passion Fruit and Fresh Mint

Inspired by the Russian punk band and activist group Pussy Riot, we hope one day they'll pay us a visit and tell us what they think. It's a classy drink with fresh ingredients, on the sweet side and with some overproof rum and flames to supplement the name.

- 145 -

WOMAN WITH HEAD OF ROSES

“Surrealism is destructive, but it destroys only what it
considers to be shackles limiting our vision.”

- Salvador Dali -

Myers' Jamaican Rum
Wray Nephew Jamaican Rum
Smith & Cross Jamaican Rum
Amaro
Fresh Lime and Guava Juice
Rose Water, Egg White
Passion Fruit Syrup

A perfect combination of Jamaican Rums, one for the taste and one for the mood. The sweetness of the Passion Fruit Syrup and Guava Juice is balanced with the bitter, herbal notes of Amaro and the Fresh Lime. To combine it all we use Egg White for a silky texture.

- 145 -

GOOD LUCK MR GORSKY

"Shoot for the stars but if you happen to miss,
shoot for the moon instead."

- Neil Armstrong -

White Chocolate Bourbon
Evan Williams White Label
Mozart Strawberry Liqueur
Fresh Lemon Juice
Angostura Bitters

Inspired by the crazy story of Mr Gorsky and Neil Armstrong, this is our twist on the popular Whiskey Sour. While staying true to the original classic, we proudly present this unlikely recipe that is just as crazy as the story that inspired it.

- 135 -

" Good luck Mr Gorsky! " said Neil Armstrong as he re-entered the lunar module in 1969. At the time NASA didn't know what he meant and whenever Armstrong was asked about the meaning he refused to answer. First it was believed Mr Gorsky could be a cosmonaut in the USSR but there was no Gorsky in the Soviet Space Program. After finding no explanation NASA suspended their inquiry and the matter was considered closed.

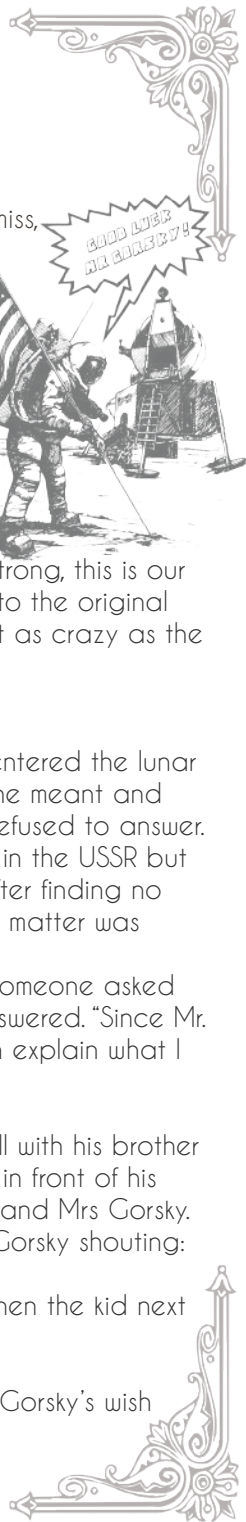

26 years later at a press conference in Tamper Bay someone asked Armstrong once again and to everyone's surprise he answered. "Since Mr. Gorsky passed away a few years back" he said, "I can explain what I meant back then".

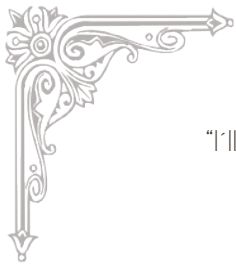

When he was a kid, Neil Armstrong was playing baseball with his brother in the backyard. His brother hit a ball which landed in front of his neighbours' bedroom window. The neighbours were Mr and Mrs Gorsky. As he leaned down to pick up the ball he heard Mrs Gorsky shouting:

"ORAL SEX? You want ORAL SEX? You'll get oral sex when the kid next door walks on the moon!"

Neil Armstrong never forgot and 20 years later Mrs Gorsky's wish was fulfilled.

BEER

"Work is the curse of the drinking classes."
- Oscar Wilde -

45 Days Organic Pilsner

- 60 -

Sommer IPA

FOR the good of the public health, it is highly desirable that all prejudice against beer should be removed. This prejudice is held exclusively by people who do not drink beer—AND IT IS FOR THEM ESPECIALLY THAT THIS ADVERTISEMENT HAS BEEN PREPARED.

EPILOGUE

"Now, admittedly, mixed drinks are not paintings, sculptures, novels, or poems.

They are disposable and, frankly, not a little bit disreputable, standing roughly in the same relation to the culinary arts that American motor sports do to automotive engineering or hot jazz to musical composition:

they smack of improvisation and cheap effects and even the most august of them lack the cachet accorded to fine wines, old whiskies, and cognac brandies. They are easily abused; they can degrade lives and even destroy them. Even if appreciated in moderation, they are

appreciated in surroundings that rarely lead to detached meditation or truth and beauty (if those are not the same thing) or constructive

engagement with the great moral and social questions of the age.

And yet neither are they contemptible.

A proper drink at the right time – one mixed with care and skill and served in a true spirit of hospitality – is better than any other made thing at giving us the illusion, at least, that we're getting what we want from life.

A cat can gaze upon a king, as the proverb goes, and after a Dry Martini or a Sazerac Cocktail or two, we're all cats."

- David Wondrich -
