FAMILY UPDATES

sanpedropc.org

SESSION UPDATE: Friends, at our last meeting of Elders we decided to defer taking out a loan for our new roofs. The fees were quite high. We or ththe \$300,000 cost out of our reserves; the loan was to return our reserves to our preferred balances. We’re exploring other institutions.

The good news: we have new roofs, and we have enough cash on hand to operate and cover major expenses. For now we will “*pay ourselves back*” by deposits into our reserves each month. We will also direct your extra gifts towards the roof project as they are received. In essence, we loaned ourselves without incurring any fees or interest.

As of today, there is \$96,000 left to fully fund what we incurred from the \$300,000 total costs for all the roofs. You gave an extra \$200,000 to cover most of the expense.

As elders, know our joy in seeing good things in our church family. They are happening because God is blessing your generosity. We are adding programs, supporting missions, welcoming new members and covering expenses to upgrade our beautiful facilities through your support.

It is our privilege to serve San Pedro during this exciting, growing season.

Your Elders: *Barbara Brinkmann, Sam Hakim, Jeff Kolok, Gina Williamson, Kimberly Aplet, Kris Richter.*

We are "**Better Together**"

Today: God's new _____, holy new _____

"Those who are wise will shine like the brightness of the heavens, and those who lead many to righteousness, like the stars for ever and ever." Daniel 12:3

We celebrated another weekend of "Guess Who's Coming to Dinner?" The gatherings are arranged by Daniel Blankenhorn to foster fellowship between church members. These events run through the spring every year. If interested in hosting or participating, ask through your Connection Card!

Thank you for making our first ever "Diaper Drive" a huge success. You gave over 7,000 pairs! House of Neighborly Services will

use them through their programs supporting local families.
