#### LANGUAGES

Français B2  
Anglais B1

#### INTERESTS

Football  
Volley-ball  
Nager  
Musculation

#### SKILLS

##### Back-end

- ✓ **Robust and secure RESTful APIs**  
(authentication, authorization, security best practices (JWT), OpenAPI / Swagger, testing & quality)
- ✓ **Implement a back-end architecture**  
(modular monolith, microservices)
- ✓ **Configuration and administration of a web server**  
(Nginx / Apache, environment variables, deployment)
- ✓ **DevOps & deployment**(Docker Compose, CI/CD, scripts, reverse proxy (Nginx), AWS, monitoring & logs, environment management (dev / staging / prod))

##### Front-end

- ✓ **UX/UI design and application prototyping**
- ✓ **Optimize performance**  
(lazy loading, code splitting, caching)
- ✓ **Develop a dynamic web user interface**
- ✓ **Build a user interface using a content management or e-commerce solution**
