The Key Milestones in this obsolescence process are:

1. Formal Notification of Obsolescence June 4th, 2025.
2. Orders for these products are no longer accepted July 16th, 2025.

Support Part Options:

Replacement parts are available until remaining inventory is consumed. After Inventory is consumed, support parts will be made or purchased to order which may have a significant lead time and are subject to price change. If components become unavailable to source, they will not be available for purchase. Please call for a quote to ensure proper pricing and to obtain lead time estimations.

Alternative Product Options:

These products will not be replaced and future orders will only be available through custom solutions. For remote shotgunning, the 20k and 40k Standard Striker will still be available.

Please contact StoneAge Customer Service (customerservice@stoneagetools.com) for any further information.
