WHY CHOOSE THE **WH** CLASSIC

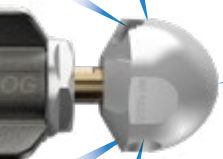

- ⊕ Delivers quality results with the most common equipment setups
- ⊕ Repairable, rebuildable, and field serviceable
- ⊕ Cast unibody centralizer boosts durability

MULTIPLE HEAD OPTIONS

STANDARD

An equal balance of pulling/
flushing & cleaning/cutting

DESCALER

More force to the side jets for
cleaning and polishing

PULLER DESCALER

Increased pulling power for long
runs, climbs, and max flushing
