Weavers, knitters, garment makers, as well as a cross-section of buyers of yarns converge at Yarnex, the India International Yarn Exhibition, held across 5 major textile hubs of India viz. Tirupur, Delhi, Ludhiana, Mumbai, and Kolkata.

Buyers have rated Yarnex as the go-to event for sourcing all types of fibres, yarns and more importantly, new developments that will hit the market in the coming seasons. Yarnex 2026 holds tremendous promise for the textile sector.

If you are a manufacturer or supplier of natural or manmade fibres, speciality fibres; natural and blended yarns, manmade yarns, elastics, fancy, and speciality yarns then Yarnex is the show that is not to be missed.

Over the years, Yarnex has played the role of a vital cog in integrating the textile value chain!
