BHARAT MANDAPAM
(PRAGATI MAIDAN)
NEW DELHI, INDIA

**INDIA'S LARGEST EXHIBITION FOR
TUBE & PIPE INDUSTRY**

CONNECT. COLLABORATE. GROW.

ABOUT THE SHOW

The exhibition creates a powerful marketplace, bringing together manufacturers, suppliers, distributors, EPC contractors, project owners, OEMs, infrastructure companies, consultants and industrial buyers from diverse sectors, including automotive, offshore, oil & gas, energy, water supply and treatment, chemicals and petrochemicals, HVAC and other industrial segments. Tube & Pipe Fair showcases the complete value chain of the industry, including:

- Steel, Stainless Steel & Non-Ferrous Raw Materials
- Finished Tubes & Pipes
- Tube & Pipe Manufacturing Machinery
- Tube Mills & Finishing Equipment
- Welding, Cutting & Forming Technologies
- Valves, Fittings & Flanges
- Tools, Dies & Consumables
- Testing, Inspection & Measurement Systems
- Surface Treatment & Finishing Solutions
- Automation, Robotics & Industry 4.0 Technologies
- Material Handling & Industrial Solutions

CELEBRATING A SUCCESSFUL JOURNEY

Tube & Pipe Fair has consistently strengthened its position as one of India's fastest-growing industrial exhibitions.

WHY NEW DELHI?

As India's capital and a major industrial, commercial and policy hub, **New Delhi** provides unparalleled access to buyers and decision-makers from every corner of the country.

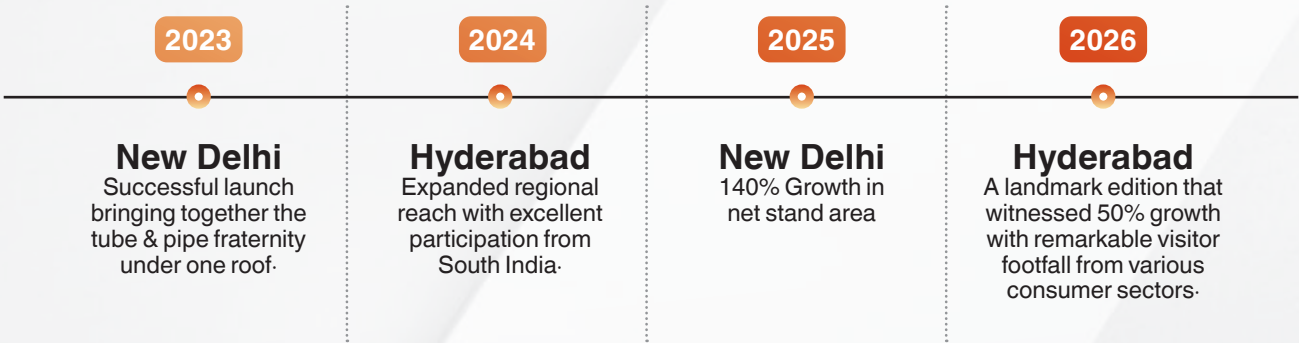

With excellent connectivity, world-class infrastructure and proximity to major manufacturing clusters across North India, the city offers exhibitors outstanding opportunities to generate business across multiple sectors.

Bharat Mandapam, Pragati Maidan offers a modern exhibition environment, making it the perfect venue to host India's leading tube & pipe industry event.
