Powering the Future of Construction

BUILD INTEC 2027

**A
Trend
Setter**

Each New Edition

Build Intec is geared up to mark its 16th Edition. It is one of the largest exhibitions in South India on Architecture, Construction, Engineering, Building Materials and Allied Sectors. Build Intec has witnessed an overwhelming response from the industry and trade alike. Many technological innovations are among the biggest transformations of present times. Be it the patronage of the concerned departments of the Indian Governments, the participation from leading National and International companies has been phenomenal. In addition, with due support from the Media, BUILD INTEC has been accorded the iconic status that it truly deserves, making every edition a success story. To harvest this bumper opportunity and to reap the benefits of the future, CODISSIA invites companies from the building and construction sector to market their products/services and to establish their business network in this region.

BUILD INTEC 2027 - Driving Growth

BUILD INTEC 2027, is a Building Material and Construction Technology Exhibition in India that connects Exhibitors & Sponsors with Architects, Interior Retailers, Designers, Distributors, Agents, Builders, Government Agencies, Project Consultants, Channel Partners and Dealers in the Building Material and Interior Products industry. It is an exhibition of latest products, services and technologies of Construction Machinery, Materials, Methods and Projects. BUILD INTEC 2027 will be the most apt ground for knowledge sharing and business networking. The idea is conceived with an objective to promote the latest trends and technology in the construction industry.

An exclusive platform that brings together the foremost and competent industrial players from Pan India to showcase their technological talents – that is BUILD INTEC in a nutshell.

Why BUILD INTEC

- One of the largest expo in the region.
- An excellent platform for business networking between Engineers, Project Developers, Government Officials, etc.
- Good representation from all segments of construction industry.
- Continued support of various trade associations.
- Attracts Architects, Builders, Civil Engineers, Retailers and individuals as visitors.
- Event popularity drawing larger visitor footfalls.
- Encouraging response from satisfied exhibitors who participated in previous editions.
