About company: Baymatbaa, which began its operations in 2005, has quickly become one of the leading and pioneering companies in the paper and cardboard packaing sector. With a production area of 5,500m², state-of-the-art machinery, a monthly processing capacity of 950 tons of paper, and a team of 165 trained and experienced personnel, the company primarily produces packaging for the pharmaceuticals, food and personal care industries. Our company collaborates with leading firms in its sector. Among our references are significant companies in their respective fields, including Pfizer Viatriş, Gensenta, Recordati, Abdi İbrahim, Sanovel, World Medicine, Humanis, Koçak Farma İlaç, Neutec, Konya Şeker and Kurtsan İlaç.

In addition to its production of cardboard packaging, Bay Matbaa also has specialized production line dedicated to scratch card manufacturing. Through this operation, the company serves distinguished clients such as Vodafone, Turkcell, Turk Telekom, Moldcell, Super Viva and Azercell.

Currently exporting to countries such as Azerbaijan, Moldova, Canada, Iraq and Georgia. Bay Matbaa aims to further increase its export ratio.
