

## About Us

Xiamen Elements Packaging Co., Ltd. is a leading manufacturer of disposable food service packaging, specializing in paper cup manufacturing and paper converting since 2015. We export our products to diverse markets across 6 different continents. We're able to ship out ninety 40HQ containers a month while we're able to guarantee a short delivery time and competitive pricing.

We have about 120 people serving both international and domestic food service industry, airline catering, hotel hospitality and retail business.

Our 16,000+m<sup>2</sup> production facilities are located in Xiamen, China. To best cater our global customers, we aim to continue investing in state-of-the-art production facilities and promoting our tradition of innovation and exceptional service.

Our quality control systems and product certificates include: BRC, FSC CoC, BSCI, Sedex 4 Pillars, and BPI, DIN CERTCO, ABA for both industrial and home composting. Every year we send our products to third party laboratory for compliance tests fulfilling US FDA & EU Food Safety Regulations.

We supply a wide range of disposable products including home compostable aqueous coating paper cups, industrially compostable PLA paper cups, paper food containers, paper salad bowls, takeaway boxes, paper sushi trays, paper lids, paper straws etc. We are an experienced manufacturer with a group of engineers and sales profession to serve your needs in product innovation and market competition.
