FR Français DE Deutsch

Over the centuries, Luxembourg has carved out a unique cultural, historical, artistic, and natural landscape. This year, on Sunday, September 24, 2023, this unique tapestry will unfold on the tarmac of its most scenic roads during the "LUX TOUR."

For its fourth edition, this reimagined gastronomic circuit will bring together the modern aesthetic of brand-new sports cars and the timeless charm of classic vehicles for an exploration of the Grand Duchy's seven virtues: Culture, Gastronomy, Wine, History, Sport, Art, and Nature.

The source of the journey

Our voyage commences at the LODYSS Source, pure viater from the Ice Age era. What better starting point than the Brasserie Nationale, founded in 1764? After a rejuvenating breakfast, participants will be immersed in the fascinating history of this iconic place.

On the castle road

The circuit promises an escape through architectural wonders and the majestic castles that have watched over Luxembourg over the years. From Sanem to Koerich and from Wiltz to Clervaux, each turn reveals a page of history.

A royal meeting

Nicolas Wagner Ehlinger, Luxembourg's equestrian icon, will open the doors of his stables. It's a stop where sport and passion meet, honouring his Olympic achievement.

Gastronomy and wine: palate pleasures

The heart of the journey will beat to the rhythm of culinary delights. Lunch at Chateau d'Unspelt promises an unparalleled gastronomic experience. And what better way to end the day than with a tasting in the golden light of dusk, featuring the VIGNUM Crémants and wines from Domaines Vinsmoselle, accompanied by exquisite madeleines from the starred chef, Léa Linster.

Every detail matters

Your experience will be enriched by a detailed "Road Book", rally plates, and many more surprises. With the sponsorship of Olivier Markarian, president of the Ng Press group, and with the support of Enzo Automotive Magazine, this edition promises to be memorable.

A gesture of solidarity

In the spirit of unity and generosity, a charity raffle will conclude this journey. Proceeds will be donated to the Sarah Grond Foundation, a beacon of hope for orphaned children.
