Nantes, le 23 janvier 2026

As part of our exclusive partnership for more than 15 years with the organizer, please find the elements requested for the press kit for the next edition of the SIA with the balloons.

The company WALLIS NBT founded in 2000 and based in Nantes (44 PAYS DE LA LOIRE) with its "BALLONS WALLIS" products is the French company specializing in the distribution of balloons.
We have developed a range dedicated to animals for children. More than 100 different models.

A new modern stand with a bright floor, video screen and order/payment terminals.

We distribute our balloons directly. Air rod range, helium range.
A unique self-service concept, a real attraction.

*a counterweight as a gift for each balloon purchased (excluding stems)
*a colored bolduc (excluding stems).

New for 2026: online payment via QR code.

The most original stand of all the shows... meet in pavilion 6...
Aisle H stand 050.

Yours sincerely,
Nicolas BENOIT
manager
