ABOUT US

PITSO is a family run company with more than 15 years of experience in the FMCG industry. In a short time we have managed to become one of the leading Bulgarian popcorn brands and have built a strong relationship with our foreign business partners. We export our products to over 20 countries on a regular basis.

PITSO products are produced in modern factories with high quality standards and a variety of top quality raw ingredients. With a great care for our customer's health we produce our products without any preservatives, stabilizers, trans- or hydrogenated fats.

Behind our brand stands a team of highly motivated and innovative people with an eye for the detail and eagerness to conquer new markets. Our professionalism strikes in every aspect of our brand and together we want to offer you only top notch products and service. Our ultimate goal is to gain your trust and win you as a loyal affiliate.

With dedication to our customer needs, industry knowledge, variety of high quality products and fair business relations, we assure you that PITSO is the right business partner for you!
