

WHO ARE WE?

CPSF is an information forum that brings together and facilitates the interaction of all the stakeholders of the Cambodian pepper and spice sector. CPSF is also a platform that promotes and protects the interests of its members and the image of their products in the local and global markets.

OUR STORY

Established in 2018 the Cambodia Pepper and Spices Federation (CPSF) represents the interests of the Cambodian pepper and spice sector and works to ensure the supply of high-quality and safe Cambodian pepper and spice in the local and global markets.

OUR VISION

Our vision is to become the leading platform for Cambodian pepper and spice in the local and global markets.

OUR MISSION

Our mission is to promote Cambodia as a key global producer of high-quality and safe pepper and spice.
