OUR FLAVOR

« YESTERYEAR »

Since 1890, Auzier Chabernac sells traditional soft liquorice, pure Acacia gum, Marshmallows, fine confectionery, sugar free confectionery, and organic confectionery.

In 1939, there were 6 makers of licorice in Montpellier. Nowadays, Auzier Chabernac is the last maker of this tradition. Auzier Chabernac keep his authenticity by enriching his licorice range but also, by developing a new organic range and contract of manufacturing.

The company has the know-how since 1890, specialist of licorice, quality, and traditional process. We wish to incorporate more and more organic raw materials.
