

EL NAVARRICO PRESENTS ITS LATEST INNOVATIONS AND INTERNATIONAL GROWTH AT SIAL PARIS 2026

Paris, 2026 — El Navarrico, a Spanish family-owned company rooted in Navarra and specialised in high-quality canned foods, will be present at **SIAL Paris 2026**, showcasing its latest product innovations and strengthening its international presence.

With products already available in **more than 25 countries**, El Navarrico continues to expand its international reach, combining traditional know-how with innovation and a strong commitment to quality.

At SIAL 2026, the company will present **new products and developments across its portfolio**, alongside its **organic range**, responding to growing consumer demand for authentic, convenient and sustainable food solutions.

The fair will also provide an important opportunity to **meet with existing and potential international customers and partners**, strengthen relationships and explore new business opportunities in key markets.

El Navarrico at SIAL Paris 2026: tradition, innovation and international growth, bringing the best of Navarra to tables around the world.

About El Navarrico

El Navarrico is a family-owned company from Navarra, Spain, dedicated to producing high-quality canned foods. Its portfolio includes asparagus, peppers, artichokes, pulses, sauces, creams, broths and ready meals, as well as an organic range.
