Fruiticana Foods Announces Participation in SIAL Paris 2026

Fruiticana Foods, one of Pakistan's leading beverage and food manufacturers and exporters, is proud to announce its participation in SIAL Paris 2026, taking place from October 17–21, 2026, in Paris, France. The company will exhibit at **Hall No. 4, Booth No. 4-K228-30, Pakistan Pavilion**, showcasing its diverse range of high-quality products.

Fruiticana Foods will present its extensive product portfolio, including fruit juices, nectars, pulpy drinks, carbonated beverages, and extruded snacks, highlighting innovation, taste, and quality designed to meet the preferences of global consumers.

With exports to over 30 countries across North America, Europe, Africa, the Middle East, and Oceania, Fruiticana Foods continues to expand its international presence by delivering safe, innovative, and great-tasting products to markets worldwide.

The company's operations are supported by internationally recognized certifications, including ISO 22000:2018 Food Safety Management System, ISO 9001:2015 Quality Management System, Halal certification, and compliance with applicable FDA requirements for export markets, reflecting its commitment to quality, food safety, and international standards.

At SIAL Paris 2026, Fruiticana Foods aims to strengthen existing partnerships, explore new business opportunities, and connect with international buyers, distributors, importers, and industry professionals from across the global food and beverage sector.

Driven by innovation, quality, and customer satisfaction, Fruiticana Foods remains committed to delivering high-quality products that meet evolving consumer demands and strengthen its position in international markets.
