Transforming Ghana's Agriculture
Through Zero-Waste Innovation

Crafted by Nature, Perfected with Care: **GKV Foods Takes Ghanaian Food Innovation to the World Stage at SIAL Paris 2026**

GKV Foods Limited, a Ghanaian food and agro-processing company, is taking Ghanaian food innovation to the global stage at **SIAL Paris 2026**, showcasing a growing portfolio of natural, value-added food products under its **ava** brand.

Our product portfolio spans **virgin coconut oil, value-added coconut snacks, desiccated coconut & dried tropical fruits**, with a continued focus on developing new and innovative food solutions.

At the heart of GKV Foods is a simple philosophy: *"Crafted by Nature, Perfected with Care."* The company combines the natural qualities of Ghanaian agricultural ingredients with modern processing, quality assurance and product development to create foods that are both authentic and market-ready.

Beyond Products: A Private-Label Partner!!!

GKV Foods is a **flexible private-label and contract manufacturing partner** for international brands, retailers and distributors seeking reliable African sourcing and value-added food solutions. With capabilities across product development, processing, packaging and quality assurance, the company can work with partners to develop products tailored to specific markets, consumer preferences and brand requirements.
