

GREEN EXPERTS at SIAL PARIS 2026

GREEN EXPERTS Unveils One-Stop Beverage Solutions and Premium Fruit Ingredients at SIAL PARIS 2026

GREEN EXPERTS, a global leader with over 30 years of expertise in beverage raw materials and B2B manufacturing, is proud to announce its participation in the upcoming SIAL Paris 2026 at **Hall 5C, Booth #D134**. Driven by our core mission to "simplify your business," we are showcasing our comprehensive **One-Stop Service** alongside an elite portfolio of globally certified ingredients designed to give your brand a competitive edge.

Backed by ISO 22000 and HACCP certifications, GREEN EXPERTS delivers world-class quality with professional precision. We combine a global vision with deep R&D expertise to offer custom flavor development (OEM/ODM) and seamless supply chain solutions, tailored for hotels, restaurants, cafes, and bubble tea chains worldwide.

Connect With Us

"We build our business on 30 years of manufacturing mastery, but our primary goal is to simplify yours," says the GREEN EXPERTS management team. "We invite global partners to visit our booth, taste our latest innovations, and explore how we can elevate your menu together."

About GREEN EXPERTS

Established in 1994, GREEN EXPERTS is a premier B2B supplier and manufacturer of premium bubble tea raw materials, concentrated juices, and fruit syrups. Serving the global food service industry, the company specializes in professional R&D, international quality control, and innovative beverage solutions.
