

As global food trends rapidly evolve toward high-quality, natural, and innovative snack solutions, **ALTINTOP Nuts Company** continues to strengthen its presence in the international market. Recognized for its advanced processing techniques and commitment to excellence, the company is preparing to connect with global industry leaders, distributors, and purchasing delegations at SIAL 2026.

Taking place from **October 17 to October 21, 2026**, SIAL will serve as a global showcase for Altintop's extensive product portfolio. Visitors will have the opportunity to experience the company's signature offerings, including **Roasted Sunflower Seeds, Coated Crunchy Peanuts**, and a wide range of premium Dried Nuts.

Located at **Hall 3, Stand No C166**, **ALTINTOP** aims to expand its global export network and forge new strategic trade partnerships during the five-day exhibition.

"SIAL is more than just a trade show; it is a key platform where the future of the global food industry takes shape," said Mr.M.Taylan GOKER, Export&Import Manager at ALTINTOP

"We are excited to present our high-quality roasted sunflower seeds, innovative coated peanuts, and rich nuts selection to international buyers while hosting our current and prospective business partners at our booth."

About ALTINTOP:

ALTINTOP is a leading producer and exporter of high-quality roasted nuts, sunflower seeds, and specialty snack products, delivering premium taste to global markets.
