Procureg8 to Showcase Elite South African FMCG House Brands at SIAL Paris 2026

CAPE TOWN, South Africa — Procureg8 (Pty) Ltd, a prominent South African fast-moving consumer goods (FMCG) distributor, has officially announced its participation in SIAL Paris 2026, the world's leading international food innovation exhibition. From **17 to 21 October 2026**, Procureg8 will exhibit its flagship house brands to global buyers, retailers, and hospitality decision-makers.

Operating directly from the **South African Pavilion** at the Paris Nord Villepinte Exhibition Centre, the company aims to expand its footprint beyond Southern Africa and establish strategic international supply partnerships. As global demand grows for reliable, high-yield shelf-stable foods, Procureg8 is stepping onto the world stage to showcase local manufacturing ingenuity. Visitors to the South African Pavilion will experience firsthand Procureg8's top-tier house brands, engineered for both high-volume retail markets and strict commercial catering spaces:

- **Gather & Feast Canned Vegetables:** A premium, shelf-stable vegetable line featuring pantry staples like baked beans in tomato sauce, sweetcorn, and mixed vegetables. Every item is produced under rigorous thermal sterilization to ensure a 36-month shelf life without artificial preservatives.
- **Quay West Canned Pilchards:** High-quality, nutrient-dense pelagic fish canned in rich tomato and hot chilli sauces. Compliant with the strictest marine food safety parameters, Quay West offers international markets an excellent source of Omega-3 and bioavailable proteins.
