

Visit Ghana at Hall 5, Stand D126 – Find Benyima Farms Limited

Benyima Farms Limited, a Ghanaian-owned agribusiness specializing in premium tropical fruit products, is excited to announce our participation at **SIAL Paris 2026**, taking place from **17–21 October 2026** in Paris, France.

As part of the **Ghana Pavilion in Hall 5, Stand D126**, Benyima Farms Limited will showcase our growing portfolio of naturally processed tropical fruit products, including our **YIMA Freeze-Dried Fruits** range featuring premium **mango, pineapple and soursop**.

Sourced from Ghana and carefully processed to preserve the fruits' natural flavour, colour and nutritional qualities, YIMA Freeze-Dried Fruits offer a convenient, shelf-stable way to enjoy the taste of tropical Africa. The range is produced without added sugar, preservatives or artificial additives.

SIAL Paris provides an exciting opportunity for us to connect with **international distributors, importers, retailers, food-service businesses, private-label partners and buyers** seeking high-quality African tropical fruit products and reliable supply partnerships.

We invite potential partners, buyers and industry professionals to visit us and discover how **Benyima Farms Limited can bring the taste of Ghana's tropical fruits to markets around the world**.
