

SELEKTIA AT SIAL PARIS 2026

Selektia is a company specializing in truffles and mushrooms-based products, will be exhibiting at SIAL Paris 2026, taking place from October 17 to 21, 2026, at Paris Nord Villepinte.

The company will showcase its latest product innovations, highlighting its ongoing commitment to innovation and quality, while meeting customers, buyers and partners from key international markets.

Participation in SIAL represents an important opportunity to strengthen the company's international presence, develop new partnerships and share its vision for the future of the food industry.
