Jayanath Spices (Pvt) Ltd. Showcases Premium Ceylon Spices at SIAL Paris 2026

Jayanath Spices (Pvt) Ltd., a leading Sri Lankan manufacturer and exporter of premium spices, natural ingredients, and value-added products, is proud to represent Sri Lanka at **SIAL Paris 2026**, one of the world's leading international food and beverage exhibitions. The Company proudly carries forward Sri Lanka's rich heritage of authentic, natural, and high-quality spices. Taking place from **17–21 October 2026 at Paris Nord Villepinte, France**, the event will provide an ideal platform for Jayanath Spices to showcase its expertise, innovation, and the natural richness of Sri Lankan products while connecting with international buyers, industry professionals, and global partners.

The company product range highlights the authentic flavors and natural richness of Sri Lanka, including Organic Ceylon Cinnamon, Organic Ceylon Black Pepper, Organic Ceylon Cloves, Herbs, Essential Oils, Organic dehydrated fruits, and other selected natural ingredients, offering global buyers quality products with a genuine Sri Lankan origin.

With **40 years of excellence in the cinnamon industry**, Jayanath Spices specialized in **Ceylon Cinnamon (Cinnamomum verum) in powder and whole forms along with other Ceylon spices**, our key specialty product, known for its premium quality, delicate aroma, and natural flavor. Our cinnamon products are **PGI (Protected Geographical Indication) certified**, ensuring our authentic Sri Lankan origin. We offer a vast range of Ceylon Cinnamon products, bringing the authentic taste and natural goodness of Sri Lanka to the global customers around the world.

Jayanath Spices maintains high standards of quality, food safety, authenticity, and sustainability, supported by a wide range of internationally recognized certifications and registrations. Our certifications include **BRCGS- Grade (A+), ISO 22000, FDA, Fair Trade, EU, USDA (NOP) and JAS Organic, SL- GAP, Kosher, GACC registration**. We also comply with essential food safety and export requirements, including **HACCP and Phytosanitary Certification**, ensuring our products meet the quality and safety expectations of customers and markets worldwide.

Jayanath Spices welcomes visitors to **SIAL Paris 2026** to discover our range of authentic Sri Lankan products and explore new business opportunities. Meet our team to learn more about our products, discuss your requirements, and build **long-term partnerships in international markets**. We look forward to welcoming you at our booth!
