

Doraintrade BRC Certified International Food Broker,

Agent & Quality Service Provider

Doraintrade is the first BRC certified Agent & Broker in Türkiye working as international food broker, agent and quality service provider, targeting to create a strong link between producers and buyers on trust basis, giving feedback and market reports from the source regularly.

Checking raw material and commodity market regularly for dried fruits, nuts, pulses and seeds. Watching the prices, availabilities, market conditions on behalf of our business partners very carefully.

Finding reliable suppliers, manufacturing under international food safety conditions and building long term cooperation between the buyers and sellers.

Whether you are a manufacturer, producer, packer, wholesaler or an importer, you will benefit from our international experience and communication.

We are selecting our suppliers within leading facilities from reliable companies. From the beginning of the sales contact, we involve and inspect the whole production till the end to the shipment.

We are pleased to offer you below listed Turkish origin items from reliable suppliers under the guarantee of our controlled supply chain;

- Dried fruits (dried figs, dried apricots, sultana raisins, dried mulberries, dried tomatoes, sour cherry, strawberry, sweet cherry, pomegranate)
- Nuts (hazelnut, pistachio, pinenut kernels) (hazelnuts roasted, dices, paste)
- Pulses (lentils, chickpeas, beans)
- Seeds (sunflower seeds, pumpkin seeds)
- Fruit jams and marmalade
- Fruit juices, fruit concentrates, fruit puree
- Industrial fruit peels & pieces

The products packed under international food safety conditions and there is possibility to offer either private label products or supplier's own branded products.
