BULLA REGIA: Tunisian Olive Oil, Certified Quality and Private Label Expertise

At SIAL Paris 2026, BULLA REGIA presents its 100% Tunisian extra virgin olive oils, combining certified quality, consistent sensory profiles and the flexibility required by international markets.

As a specialist in private label, BULLA REGIA can supply large volumes while maintaining strict chemical and sensory control throughout the year. Our ISO/IEC 17025-accredited laboratory, recognized by the International Olive Council (IOC), provides accurate analysis of contaminants and key quality parameters, supporting rigorous control from sourcing to final product.

Backed by the sourcing strength of our sister company SENTOLIA, which exported more than 30,000 tons of olive oil during the 2025/2026 crop, BULLA REGIA offers a reliable supply for demanding international partners.

Reliable quality. Consistent taste. Large-volume private label solutions.
