Konstantoulas Antipasti to Exhibit at SIAL Paris 2026

Greece, September 2026 - Konstantoulas Antipasti, a Greek producer of premium chilled antipasti, will exhibit at SIAL Paris 2026, presenting a selection of Mediterranean ready-to-eat specialties for international retail, private label and foodservice markets.

Premium chilled Greek antipasti

The company's portfolio includes cheese-stuffed peppers, stuffed olives and marinated olives, produced with carefully selected ingredients and inspired by Mediterranean and Greek flavors. The range is designed for refrigerated distribution and offers solutions for both retail packs and foodservice formats.

Private label and international partnerships

With a strong export orientation, Konstantoulas Antipasti works with international customers and develops flexible solutions for private label, retail and foodservice. The company is BRCGS Food Safety certified, supporting its commitment to consistent quality and food safety.

Meet us at SIAL Paris 2026

Visitors, buyers, importers and distributors are invited to meet the Konstantoulas Antipasti team, discover the product range and discuss opportunities for new partnerships.
