

Velta Prod is the producer of the well-known brands: Frutti Fresh, Izvorul Minunilor, Adria, Fruttia Delicio, Fruttia and the new Revigo and Izvorul Minunilor Fresh Naturelle. As Romania's leading producer of soft drinks and mineral water, we are proud to offer high-quality products internationally that have delighted customers for more than 30 years.

Frutti Fresh, the brand for which we are known around the world, with its unmistakable vitality and the wide variety of fruity flavors, classic or innovative blends, introduces us to an atmosphere full of energy with every drop.

The purity and uniqueness of our natural water source Izvorul Minunilor comes from the Romanian Apuseni Mountains, from 1100 m above sea level. This gives it an internationally recognized quality and exceptional purity, highly valued both nationally and internationally. With a neutral pH, our natural mineral water contains natural minerals and offers a fresh, spring-like, moisturizing and refreshing taste.

Revigo one of our newest brands is defined by well-balanced flavors from classic tonic to bitter lemon and mandarins, that challenges the senses through contrast and depth, it's the drink you choose when you want to break away from the ordinary.

Izvorul Minunilor Fresh Naturelle, recently introduced in our portfolio, is a flavored carbonated natural mineral water, a refreshment crafted from natural mineral water, designed for consumers who value authentic freshness and refined, naturally inspired fruit flavors. The brand embodies a modern approach to hydration, combining purity, quality and a distinctive sensory profile.

Revigo Bison Power- our newest product, is the energy drink created for those who live life at maximum intensity. Its powerful formula, featuring a classic energy flavor taste and carefully selected ingredients, delivers a fast energy boost, supports focus, and helps you tackle any challenge. We are continuously looking for new distributors to join our network and develop fruitful partnership together.

Whether you are already our customer or you just want to discover our products, we would be pleased to welcome you to our stand.
