## RIDDLE wafers are the top export product in Greece at the 2026 Greek Export Awards

We are truly proud and happy to announce that our company has been honored once again at the **2026 Greek Export Awards** receiving the **Gold Award** for our **RIDDLE Wafers** products, for the fourth consecutive year as the **“Top Export Product” in Greece**.

**Riddle Wafers** are once again the **Top Export Product in Greece!!**

This distinction reflects not only the innovation, quality and consistency of our products, but also the trust and continued support we have received from all of you. You are an essential part of this achievement — your commitment to representing, distributing and growing our brand has made it possible.

This new recognition inspires us to continue investing in authentic, high-quality and innovative products, always with the same dedication and responsibility that have brought us this far.

We sincerely thank you for being part of our journey and success and we look forward to achieving even greater milestones together in the future.
