The Chamber of Magnesia is a Public Entity established in this form since 1988. Its services are provided within the prefecture of Magnesia and North Sporades Islands: Skiathos, Skopelos, Alonissos, in the region of Thessaly, Central Greece. The registered enterprises are divided in 4 sections, which are: commerce, handicraft, services and tourism and are more than 15000, 130 of which have exporting activities within the EU and to foreign markets. The Greek legislation provides to the Chamber financial self-reliance and administrative independence, both necessary for the achievement of its goals.

ELEON is the olive oil division of Soya Hellas S.A., the largest agro-industrial group in Greece with an annual turnover exceeding 300 million euro and 320 employees.

We are dealing with more than 20.000 tons per year and we are specialized in bottling EXTRA VIRGIN OLIVE OIL, OLIVE OIL, OLIVE POMACE OIL and SALAD OIL, under own brands or private labels.

The company's infrastructure mainly consists of:

- Two stainless steel tank parks of 4.000 tons total capacity with fully equipped laboratories
- Bottling plant with a bottling capacity of 24,000 ltrs/hr
- Three contemporary refineries for olive oil, pomace olive oil and seed oils
- Two Warehouses for the storage of the ready products

All installations are fully certified under both BRC (British Retail Consortium) and IFS (International Food Standard).

PRODUCT PORTFOLIO

- "OLIVE SYMBOL": premium monovarietal (koroneiki variety) extra virgin olive oil with very low acidity
- "GREEK OLIVE DROPS" series: extra virgin olive oil with acidity <0,5%, PDO Kalamata, PDO Sitia, bio
- "ORFEAS": extra virgin olive oil

For us, gluten free is not enough.

At Gea Bakery, every product begins with the choices we make: carefully selected ingredients, our own original recipes and a commitment to authentic taste.

We create gluten free bakery products without ready-made flour mixes, modified starches or added preservatives — because we believe gluten free should first and foremost be food you genuinely enjoy.

From the Earth come the ingredients.

From our choices comes every Gea Bakery product.

REA COOP was established in 1938 as a co-operative of tomato and vegetable producers. In the late 1970's our farmers started developing fruit plantations and by 1983 operations were expanded to fresh fruit exports and fruit juice production. Today we produce Fruit Juices, Fruit Nectars, and Fruit Drinks in Tetra Pak in over 20 different flavors across 8 brands and also produce private label for retail customers. We also produce Tomato Passata, and water in TetraPak. We export to over 25 countries covering Europe, Middle East, Asia, Africa and the USA to both dealers and retailers. Our products can be found in some of the biggest supermarket chains such as Delhaize Group, Carrefour etc., as well as on online supermarkets such as Rakuten Japan, JD.com

Eastern
Macedonia
& Thrace

The Region with its natural virgin forests, rivers, lakes, waterfalls, caves and sandy beaches lies on the Northeastern Greece. The land of Democritus, Protagoras and Leucippus has contributed culturally with art works such as the sculpture of the Victory of Samothraki. Wineries produce quality wines, whereas the area's gastronomy has its own great identity with flavors that use local products of high quality and nutritional value, many of which have been singled out as PDO and PGI.

PRODUCT PORTFOLIO

- Honey • Cheese, greek feta • Olives and oil
- Wines, ouzo and tsipouro
- Pomegranates, cherries, almonds, myrtillus
- Salted and smoked fish
- Free range beef, goat meat of Samothrace
- Kiwi • Asparagus • Silk • Tobacco

"Taste the traditions of the North Aegean Islands"

The North Aegean Islands (Lemnos, Lesvos, Chios, Samos, Ikaria, Agios Efstratios, Inouses, Psara, Fourni, Thimena), produce, standardize and export, plenty of local traditional products, belonging to the "food and beverage industry".

All these products are distinguished and characterized by their purity and excellent quality, due to the uniqueness of the flora and fauna of the North Aegean Islands, which gives them a distinct flavor.

PRODUCT PORTFOLIO

a) the famous table olives and the organic olive oil, produced from millions of olive trees, b) the dairy products and meat, from animals grazing freely in the islands' pastures, such as the unique "ladotyri" (olive oil cheese) and the "feta" cheese, c) the salted preserves, such as the delicious sardines from the bay of Kalloni, and d) a lot of sweets, honey, sauces and flour, as long as the unique mastic from Chios.

Excellent quality's beverages, such as: a) the most famous ouzo of the world, a pure extract of aniseed and sweet smelling herbs, b) wines with distinctive aromatic tastes, and c) a variety of liqueurs, juices and soft drinks, produced from the local fruits.

South Aegean Region numbers more than 50 inhabited islands. The array of culinary experiences is as delightfully diverse as the islands themselves. A lot of local products with high quality, variety and exceptional nutritional value certified as PDO and PGI, honey, cheese, fish and seafood, delicacies, small miracles from water and flour, wines etc. combine our unique gastronomic richness, which has given our Region the opportunity to stand alongside the great global gastronomic destinations with the "European Region of Gastronomy 2019" title.

Today we look ahead with greater ambition. We proudly pursue the title of "World Region of Gastronomy 2028" that can inspire island regions across the globe.

 E-mail: info@hotos.gr
 Web: www.hotos.gr
 Contact: **Mr. George Hotos**

The Hotos family tradition in cheese-making stretches back three generations. It was back in 1920 that grandfather George Hotos perfected the secrets of Feta and Manouri cheese-making, drawing from the accumulated knowledge of the tradition of the people of the mountainous region of Samarina. Today Hotos Industrial and Commercial S.A. remains faithful to tradition and combines the experience and know-how of more than a century with state-of-the-art cheese making facilities to ensure the superior quality of its products.
