FOR IMMEDIATE RELEASE

VANCARD PERU S.A.C. BRINGS THE FLAVORS OF PERU'S CENTRAL JUNGLE TO SIAL PARIS 2026

Producer and direct exporter of natural NFC juices, pasteurized juice solutions, dehydrated ingredients and powders from Peru.

PICHANAQUI, CHANCHAMAYO, JUNIN, PERU - 2026

VANCARD PERU S.A.C., a producer, processor and direct exporter based in the Central Jungle of Peru, will participate in SIAL Paris 2026, taking place from 17 to 21 October at Paris Nord Villepinte. The company will welcome visitors at the Peru Pavilion, Frozen Zone, Stand 9.

Based in Pichanaqui, Chanchamayo, Junin, VANCARD works close to origin and develops value-added solutions from Peruvian ginger, turmeric and tropical fruits. Its portfolio includes 100% pure natural not-from-concentrate (NFC) juices made from ginger, turmeric, Valencia orange, Golden MD2 pineapple and Sutil lime, together with pasteurized juice solutions for refrigerated distribution.

VANCARD also offers dehydrated ginger and turmeric slices, as well as ginger and turmeric powders for food and beverage manufacturers, ingredient companies, food-service operators and other international applications.

By combining agricultural production, processing, quality control, traceability and export coordination, VANCARD provides customers with direct access to origin, transparent supply chains and formats adapted to international requirements. The company is committed to building long-term partnerships with importers, distributors, beverage brands and food industry professionals looking for reliable Peruvian suppliers.

At SIAL Paris, the VANCARD team will present its products, discuss customized supply programs and explore new opportunities for the international market. The company's quality and supply systems are developed to meet international requirements, with certification programs available according to product and market scope.
