

VIETNAM GROCERY, JSC — VIETNAM'S TRUSTED F&B & FMCG CONSOLIDATION PARTNER FOR GLOBAL MARKETS

Vietnam Grocery, JSC is Vietnam's leading F&B & FMCG consolidation partner, serving as consolidator, export partner, and OEM/private label provider. With 16+ years exporting to 85+ countries (Africa, Russia, EU, USA, Japan, South Korea, Singapore, Pacific Islands, Taiwan), we aggregate from 100+ pre-vetted manufacturers across 9-10 categories.

At Sial Paris 2026, we showcase VIETNAM'S TRUSTED F&B & FMCG CONSOLIDATION PARTNER FOR GLOBAL MARKETS on all materials. We bridge Vietnam's advantages—agricultural abundance, low costs, long coastline—with buyers' needs for efficient, compliant sourcing.

1. F&B & FMCG CONSOLIDATOR

We consolidate high-quality products from 100+ manufacturers into single shipments. Source 5-10+ categories—beverages (Red Bull export, Coffee Matte, Coca), snacks (Samyang, Mentos), canned fruits, noodles, household (Tide, Downy), oils—from one partner, eliminating factory hassles, cutting logistics costs, and ensuring HALAL/FDA-certified quality.

2. EXPORT PARTNER

As a trusted export partner, we connect Vietnamese producers directly to global importers in 85+ markets, handling end-to-end logistics (FCL mix-items or LCL), regulatory compliance (national/international certifications), quality assurance, professional sales support, payment facilitation, and flexible packing. Our Hanoi and HCMC teams maximize customer satisfaction with competitive pricing and long-term relationships, leveraging Vietnam's shift as Asia's emerging trade hub.

3. OEM/PRIVATE LABEL PROVIDER

We deliver turnkey OEM and private label solutions for brand owners, matching clients with specialized pre-vetted manufacturers, managing full product development, custom labeling/palletizing, and global delivery. Ideal for beverages, foods, household items, and more, our services capitalize on Vietnam's competitive manufacturing edge for cost-effective, certified custom products tailored to market demands.

This messaging integrates company strengths like multi-category ready-stock (e.g., Buffalo Jungle Energy Drink, COZY) and trade show expertise (Gulfood, Anuga, WorldFood, prior THAIFEX). Use it for booth signage, flyers, and pitches to drive partnerships.

TRADE SHOW EXPERIENCE

Regular at Gulfood Dubai, Anuga Cologne, WorldFood Moscow, Foodex Japan, THAIFEX and Sial Paris.
