

LetitGo continues to grow with its strong dealer network across Türkiye.

Distinguished by its international quality standards and exceptional product portfolio , LetitGo continues to rapidly expand its presence in the Turkish market. With modern production standards, a reliable supply chain, and a vision for sustainable growth, LetitGo has quickly established a strong dealer network across Turkey.

The LetitGo product range, consisting of chocolate creams, jams, and snacks , is developed based on the principles of quality, taste, and consistency. The brand adopts the principle of establishing long-term, trust-based relationships with its business partners.

As of today, LetitGo products are available to consumers through authorized dealers operating in the following provinces: **Gaziantep, Van, Kayseri, Ankara, Antalya, Elazığ, İzmir, Hatay, Batman, Bursa, Nevşehir, İstanbul, Muş, Şırnak, Diyarbakır, Trabzon, Kastamonu, Tekirdağ, Edirne, Kocaeli, Malatya, and İzmit** .

Aiming to create a balanced and sustainable distribution structure across Turkey, LetitGo continues to strategically expand its dealer network. The brand offers transparency in commercial partnerships, operational support, and an approach that protects brand value.

LetitGo invites entrepreneurs and companies who want to be part of its growing structure and partner with a strong brand to join its franchise network.
