

## A Street Through Time –Street of the Future

DK wants to know what you think a street in 2070 will look like. Tell us by drawing or writing (or both!) about it below. Some of things you might want to think about are transport, buildings, clothes, and your home.

Please don't put individual children's names on here. We are happy for you to put your library name and class.

**School/Library:** \_\_\_\_\_ **Class:** \_\_\_\_\_
