

SLUG: IG: RV VACATIONS: ONLINE CONTENT

(a) Bonus Chapter

(b) Resources

For more information on various aspects of vacationing in your RV, we offer our go-to resources. These include online reservation systems, expert sites and forums, podcasts, and apps. Happy travels!

(c) Campground and Reservation Resources

Reserve America

reserveamerica.com

Reserve American is the reservation system for many of our country's state and federal parks. It also provides a large, searchable campground database.

Kampgrounds of America (KOA)

koa.com

Kampgrounds of America is a chain of almost 500 campgrounds. Its website provides information and ratings about each campground.

CampJellystone

campjellystone.com

The CampJellystone website provides a searchable database for all Jellystone Parks and offers information about special campground events and activities.

Good Sam Club

goodsamclub.com

The Good Sam Club website offers a searchable campground database, park information, and reviews. Extensive trip planning resources are available as well.

Go Camping America

gocampingamerica.com

Go Camping America has a searchable database of its private member campgrounds and also includes blog articles and trip-planning tools.

(c) RVing Resources

Go RVing

gorving.com

Go RVing has both practical and inspirational resources, including information on various RV types and models, as

well as an extensive blog where real RVers share travel stories and helpful tips.

Recreation Vehicle Safety and Education Foundation (RVSEF)

RVsafety.com

RVSEF is the first and last word on RV safety in the industry. This is the place to go for all questions about tow capacity, tire checks, and weight recommendations.

Mark Polk

RVEducation101.com

Mark Polk is an industry expert on RV systems and maintenance, and his website is a treasure trove of information, regardless of what type of RV you have.

RV.Net

rv.net/forum

RV.Net is a forum of RV owners. Whether you have a question about your black tank or the best campground near a national park, this is a great resource.

RV Family Travel Atlas

rvfamilytravelatlas.com

RV Family Travel Atlas is the travel resource website by authors Stephanie and Jeremy Puglisi, who offer tips and tricks for RVing with kids along with great travel recommendations, camp recipes, and organization advice.

(c)Podcasts

RV Family Travel Atlas

geo.itunes.apple.com/us/podcast/rv-family-travel-atlas/id921792544?mt=2

RV Family Travel Atlas is a weekly, general-interest podcast about RVing with rig and product reviews, travel recommendations, tips and tricks, and interviews with industry manufactures and safety experts.

Campground of the Week

itunes.apple.com/us/podcast/campground-of-the-week/id1066636552

Campground of the Week is a weekly podcast devoted to reviewing one campground every week and recommending great nearby activities, attractions, and food. Reviews are by correspondents from around the United States.

Roadtreking

roadtreking.com

Roadtreking is a weekly podcast devoted to the small RV

lifestyle, but it also includes travel recommendations, technology reviews, and gadget tips.

Girl Camper

girlcamper.com

Girl Camper, a weekly podcast hosted by Janine Pettit, is devoted to the woman RV traveler and offers advice on traveling alone and with groups of women.

(c) Apps for RV Travel

Roadtrippers

itunes.apple.com/us/app/roadtrippers-maps-built-for/id944060491?mt=8

Roadtrippers is a great app for planning trip routes. It provides useful maps and fun recommendations for stops along the way. The app also includes food suggestions and reservation information.

Allstays Camp and RV

itunes.apple.com/us/app/camp-rv-tent-camping-to-rv/id370820516?mt=8

This app offers the most extensive list of RV resorts, campgrounds, boondocking locations, rest areas, and repair shops. The in-app filters enable you to narrow your search according to your personal preferences.

Roadside America

itunes.apple.com/us/app/roadside-america/id347393479?mt=8

The Roadside America app is perfect for the RVer who loves to discover quirky, oddball attractions while traveling. Use it to find that giant ball of twine or massive gum wall.

GasBuddy

itunes.apple.com/us/app/gasbuddy-find-cheap-gas-prices/id406719683?mt=8

This app helps you locate nearby gas options and choose the one with the best price.

Sanidumps RV Dump Station Locator

itunes.apple.com/us/app/sanidumps-rv-dump-station/id651650299?mt=8

Knowing where to dump your tanks is crucial when boondocking or overnighting in parking lots. This app offers extensive listings and is a must have when RVing without hookups.

Heads Up!

itunes.apple.com/us/app/heads-up!/id623592465?mt=8

Staying entertained on long road trips can be a challenge.

This app offers tons of fun for a very low price tag.
