A NEW celebration of children around the world

Lauryn is from Quebec, a French-speaking region of Canada.

In Kazakhstan, it is custom for the oldest child, like Bolat, to be raised by their grandparents.

All Australian children, like Clara and Lucy, must wear hats to school for protection when they play outside.

**Meet the children**  
In this book are 44 children from around the world. Can you name the countries the children live in?

The closest city to Amu's home village is Nelapruit, located on the Crocodile River.
