

BACKLIST CATALOG 2019

I am delighted to showcase our publishing program and am incredibly proud of the talented teams who have created these wonderful books.

In the fall of 2018, we marked the 25th anniversary of DK Eyewitness Travel with the relaunch of our trademark travel guide series. With a completely refreshed design, undertaken following extensive consumer research, we know that our guides will meet the needs of modern travellers.

Inspiring a love of learning in children is at the heart of DK, with fun and informative books from *Baby Robot*, *Star Wars™ Maker Lab*, and *LEGO® Star Wars™ Ideas Book* to *An Anthology of Intriguing Animals* and *Timelines of Everything* blazing the trail for our children's list.

We published outstanding new adult reference books in 2018. Highlights include *Writers*, which explores the fascinating real-life stories behind our favorite authors, and *Flora*, a beautiful examination of the plant world. We also continued to expand successful series, including *How Things Work* and *Big Ideas Simply Explained*.

We are very excited to be growing our relationships with expert authors and collaborators, brands, organizations, and institutions. In 2018, we published *Eat Feel Fresh* by world-renowned Ayurvedic practitioner Sahara Rose; *The Tool Book* with a foreword by maker, actor, and comedian Nick Offerman; *Healthy Instant Pot Cookbook* from chef Dana Angelo White; *The Memory Activity Book* with the AARP; and a variety of books with the Smithsonian, including *History of the World Map by Map* and *Maker Lab: Outdoors*.

With DK, you are sure to be inspired, educated, and entertained, whilst discovering something new every year. And, looking ahead, I can say with great confidence that 2019 will certainly deliver on this promise.

Enjoy!
