Build Your Own Potions Class

Harry and Hermione are in the Potions classroom brewing magical mixtures that can cure boils, make people forgetful or even counter dangerous poisons. Check out these ideas to inspire your own Potions Class creations. What else will you build?

No LEGO bricks to hand?
Try drawing what you would build for your Potions Class instead!

Work bench

Potions are simmered over burners like those used in laboratories. Only one leg of the model connects to the table.

- LEGO® Technic half pin
- Upside-down plate with four bars
- Upside-down 2x2 round tile

Supply shelves

This corner unit is firmly locked together by overlapping plates and bricks at its base. Alternate different length pieces so the joints are held tightly by pieces above and below.

- 2x4 plate
- 2x6 brick
- 2x4 plate
