

CARDBOARD BOX

From construction challenges to pretend play, an empty cardboard box is full of opportunities for your inquisitive baby.

YOUNGER BABY ... Explore the box together and let your curious baby see the anticipation on your face. What could be inside?

OLDER BABY ... A baby-sized box can be the ultimate toy for your older baby. Share your baby's delight when you sit them inside and pull them along.

TODDLER ... Watch out box! Your toddler is likely to be over the moon with this indoor obstacle course and may happily squash the box during their exploits.
