

# Gratitude paper chain

Time can seem to go very fast and we forget the little things that make us happy. This activity can help you be mindful of all the things that you are grateful for.

★ FOR THE GROWN-UPS...

You can help your students think about what they are grateful for by asking questions. What are you really good at and enjoy doing? What makes you smile?

## What you'll need:

- Different-colored pieces of paper
- Safety scissors
- A pen
- A glue stick or tape

As seen in DK's

1

**Cut some strips of colored paper** using safety scissors. They need to be wide enough to write on.

2

**Write something you are grateful for** on each strip. Think about what makes you smile.

3

**Make a ring** with the first strip, using glue or tape to stick the ends together. Then thread another strip through the first to make a second ring. Keep going to make a chain.
