

Some superheroes have shiny capes and masks over their eyes.

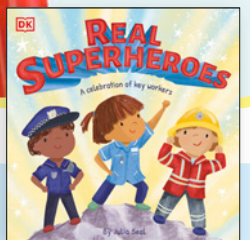

But how many of these superheroes have ever rescued you?

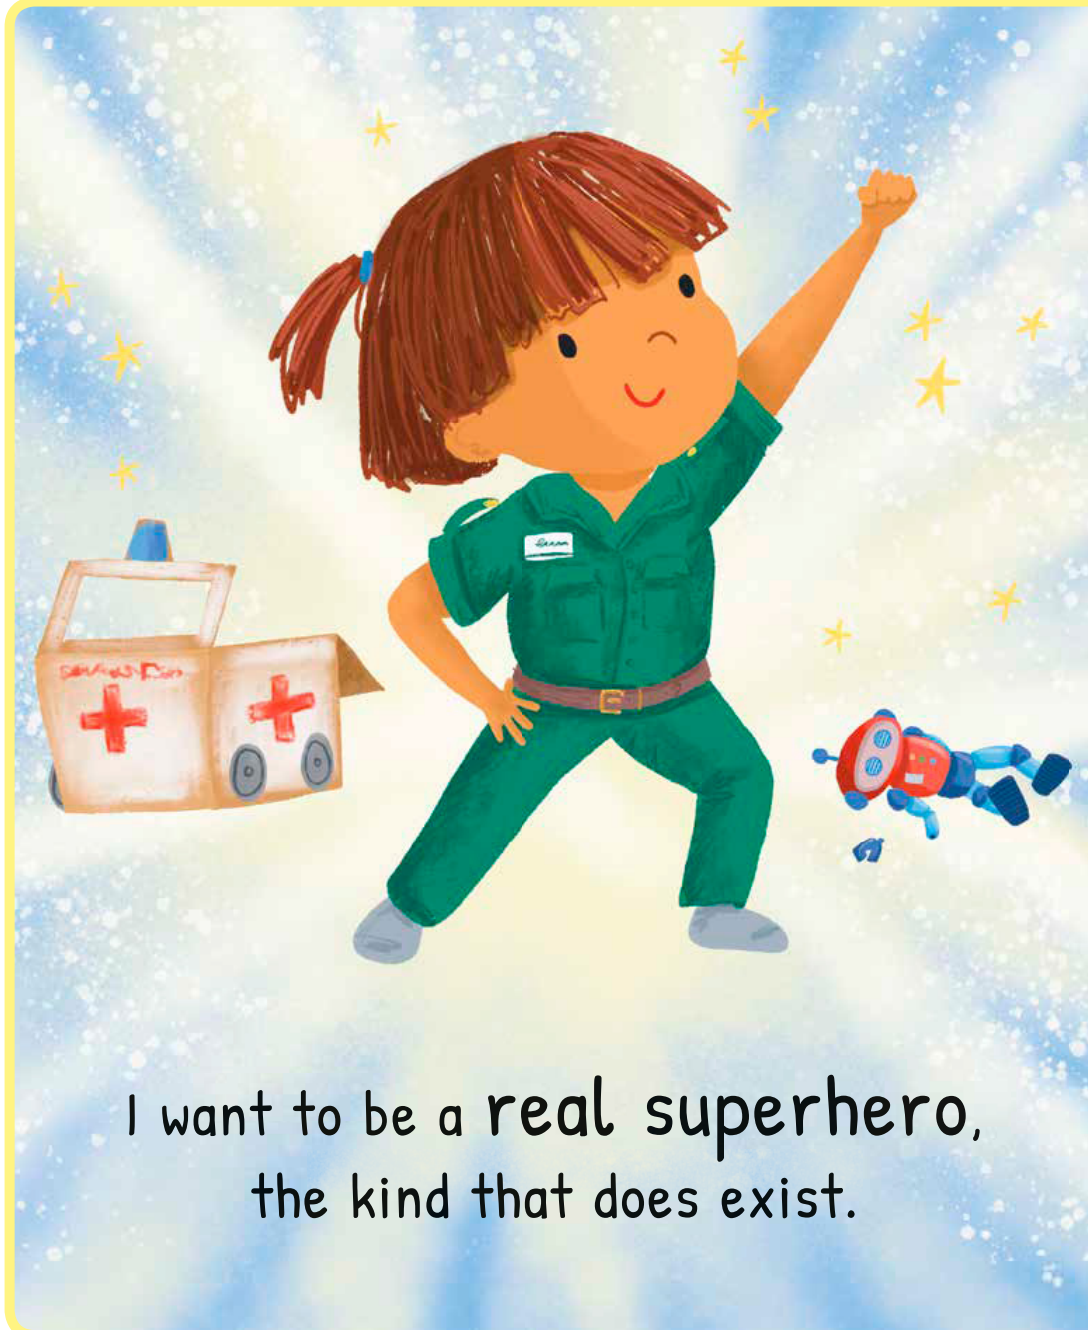

What do you think a hero is?

I want to be a real superhero,  
the kind that does exist.

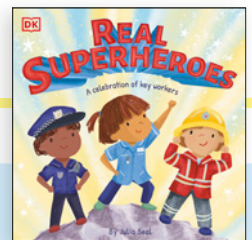

They really do save the planet.

Think about all the other everyday heroes we have, like the key workers. Draw a picture of what a hero in your community looks like.

I'm thankful for these superheroes,  
working day and night.

As long as there are real superheroes,  
I know we'll be alright.
